

Lockdown 3 CW and VC- COVID-19 (updated – 4th January 2020) Office Staff

[Back to index](#)

HAZARD	RISK GROUP	RISK	CONTROL MEASURES (Describe the existing workplace precautions and risk control systems in place)	Residual Risk Rating HIGH MED LOW	Are Existing Controls Adequate?	
					Yes	No*
Delivering food/ work packs to pupil's homes	Staff	Spread of infection due to close contact. Contracting the infection	<ul style="list-style-type: none"> Staff to be made aware of the importance of wearing masks at all times. Staff to be made aware of the importance of either wearing gloves or sanitising after each visit. Staff to travel alone if they are travelling by car. Staff to maintain 2M distancing if they are travelling by foot with a colleague. Staff to maintain 2 M social distancing if they meet a parent/pupil. 	High	Y	
Arriving to the academy	Pupils Staff Parents Others	Spread of Infection due to close contact	<ul style="list-style-type: none"> Inform Parents of the entrance and exit points in advance to the new term starting via website or other communication systems. Consider where possible, having a one-way system introduced when parents bring pupils to Academy CEV staff and students to work remotely until the government guidance changes. Staff with underlying health conditions to undertake individual risk assessment to ensure their safety or to move to remote working. Academy to operate bubble group system to separate pupils, Year 7 students in C5, Year 8 students in rooms 1 and 32, Year 9 Students, in rooms 1 and 9, Year 10 and Year 11 students in rooms 1 and 36. Each student 	High	Y	

			<p>will be given a desk and computer that they work at for the day.</p> <ul style="list-style-type: none"> • Academy to operate a standard start time for all bubble groups to arrive each day and a designated access point for each group to use. • Start time 8.45am /End time: 3.15pm • Parents/Carers must not congregate outside of the academy and must stick to the designated start and end time each day and maintain social distancing (2M) at all times • Hand sanitiser to be available in classrooms for pupils to use on entry into the class. • Classroom doors will be open at the children's drop off time, ensuring that children are not waiting to enter the academy. • Bubble group areas to be spaced 2M apart from each other and start time staggered to minimise risk, this does allow anyone who is early/late to safely wait within the academy grounds to be taken to their classroom. • Pavements are clearly marked out with 2M spaces as a reminder to all of social distancing rules on site. • Staff member who is outside enforcing the rules should wear an appropriate face mask/ covering, apron and gloves. • 2 metre rule to be enforced while they are waiting for staff to receive their pupils if this can't be enforced a 1 metre rule to be adhered to. • Parents will not be permitted on to the academy site and should leave their child at the entrance gate • Parents wishing to talk to staff must make an appointment (first instance telephone conversation) 			
--	--	--	--	--	--	--

			<ul style="list-style-type: none"> Risk Assessments will be reviewed on a weekly basis during the current period as advice, guidance and risk levels change 			
Social Distancing	Office Staff	Infection Control	<ul style="list-style-type: none"> Staff under no circumstances must work in close proximity to each other, if they have to under certain circumstances PPE must be worn in line with ATT supply and use of PPE procedure. They must ensure they keep to social distancing at all times (at least 2 metres) Staff should ensure when using the rest areas a staggered system is used to prevent close proximity of persons. No sharing of desks or equipment permitted. If equipment is shared it must be wiped down with a disinfectant before and after use. Desks must be at least 2 metres apart or persons must be seated at least 2 metres apart. Staffing Rota system is in place Desks and equipment to be cleaned after each person has used and at the end of each day. Staff have access to PPE for all intimate care, contact with parents and option to use PPE at their discretion during lessons. 	MEDIUM	YES	
Wider Public Transport	Pupils Driver Public	Risk of Infection	<ul style="list-style-type: none"> Where possible encourage pupils to walk to the academy or use alternative transport i.e. cycle, walking bus. Where possible allow pupils to arrive at a staggered time to avoid peak travel times Pupils encouraged to wash hands as soon as arrive at the academy or use hand sanitiser available at entry into the building. 	High	Y	
Face Covering	Pupils Staff	Risk of Spread of Infection	<ul style="list-style-type: none"> Staff and pupils to wear face covering when entering all communal areas, such as corridors and the Food Hall. 	Medium	Y	

			<ul style="list-style-type: none"> • Signs or posters in place on how pupils remove face masks correctly. • Staff and Pupils to ensure they remove masks correctly and remove without touching the front of the mask (remove by loops on ears) • If disposable masks these must be disposed of in a closed bin. • If material re-use masks these should be placed inside a disposable bag and taken home to re-wash before reusing. • Staff to wear face coverings and PPE when speaking with Parents. • Pupils to Wear face coverings when out of their social bubble. 			
Critical Workers/ Vulnerable students returning to academy	Pupils Staff Parents Others	Risk of Spread of Infection due to large groups of pupils	<ul style="list-style-type: none"> • The academy will operate staggered start and finish times for various year groups to reduce the amount of pupil numbers if pupils numbers are high • Academy operates various entrance gates for year groups 	High	Y	
Prevention of Infection The following must be in place in academies at all times:	Pupils Staff Parents Others	Risk of spread of infection	<ul style="list-style-type: none"> • Ensuring that pupils, staff and other adults do not come into the academy if they have coronavirus (COVID-19) symptoms, or have tested positive in at least the last 10 days, and ensuring anyone developing those symptoms during the academy day is sent home, are essential actions to reduce the risk in academies and further drive down transmission of coronavirus (COVID-19). <p>All Academies must follow this process and ensure all staff are aware of it.</p> <ul style="list-style-type: none"> • If anyone in the academy becomes unwell with a new and persistent cough or a high temperature, or has a loss of, or change in, their normal sense of taste or smell (anosmia), they must be sent home and advised 	High	Y	

			<p>to follow 'stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection', which sets out that they should self-isolate for at least 10 days and should arrange to have a test to see if they have coronavirus (COVID-19).</p> <ul style="list-style-type: none"> • If they have tested positive whilst not experiencing symptoms but develop symptoms during the isolation period, they should restart the 10 day isolation period from the day they develop symptoms. 			
<p>Prevention of Infection Must be properly considered and academies must put in place measures that suit their particular circumstances.</p>	<p>Pupils Staff Parents Others</p>	<p>Risk of spread of infection</p>	<ul style="list-style-type: none"> • minimise contact between individuals and maintain social distancing wherever possible • 1) minimise contact with individuals who are unwell by ensuring that those who have coronavirus (COVID-19) symptoms, or who have someone in their household who does, do not attend the academy • 2) clean hands thoroughly more often than usual • 3) ensure good respiratory hygiene by promoting the 'catch it, bin it, kill it' approach • 4) introduce enhanced cleaning, including cleaning frequently touched surfaces often, using standard products such as detergents and bleach • 5) minimise contact between individuals and maintain social distancing wherever possible • 6) where necessary, wear appropriate personal protective equipment (PPE) <p>Numbers 1 to 5 must be in place in all academies, all the time.</p> <p>Number 6 applies in specific circumstances. https://www.gov.uk/government/publications/safe-working-in-education-childcare-and-pupilss-social-care</p>	<p>High</p>	<p>Y</p>	

			ATT operate a full daytime cleaning procedure with dedicated staff at each site undertaking touchpoint cleaning in line with GOVT/PHE Guidance			
Staff receiving child from Parent	Staff	Spread of Infection due to close contact	<ul style="list-style-type: none"> Staff receiving pupils to remember the 2-metre rule and wear a face covering Staff will direct pupils to either use the hand sanitiser and proceed to their classroom (another member of staff supervise pupils) or they will be directed to the wash rooms to wash their hands . All pupils must sanitise/ wash their hands on arrival to the academy. 	High	Y	
Pupils bringing equipment into the academy	Staff Pupils Others	Risk of spread of infection	<ul style="list-style-type: none"> Pupils and Parents informed to keep items brought into school as a minimum Only lunch boxes, outdoor clothes, bags, and mobile phones permitted. 	High	Y	
Classroom set up	Staff Pupils	Spread of Infection due to close contact	<ul style="list-style-type: none"> The classroom must be set up where possible with all desks forward facing and side to side seating with a 2 m distance. The teacher's desk must be kept 2 metres away from the pupils' tables/desks. Tissues available in each classroom for pupils to use when coughing or sneezing and they must go into a closed bin after one use. 	High	Y	
Class / Year Groups	Staff Pupils	Infection Control	<ul style="list-style-type: none"> Where possible pupils are to be kept in their class bubbles and not to mix with other bubbles. 	High	Y	
Classroom Lessons	Staff Pupils	Spread of Infection due to close contact	<ul style="list-style-type: none"> Teaching staff must keep that safe distance at all times where possible when teaching. Where pupils may require extra assistance a 2 metre rule must try to be enforced if not viable look at a 1 metre rule or the staff are to only teach in their allocated bubbles. 	Medium	Y	

			<ul style="list-style-type: none"> • Pupils old enough to understand will be informed not to touch staff and their peers where possible. • Staff should avoid close face to face contact and wear a face covering if they move closer than 2 metres of anyone. • Removal of unnecessary furniture in each classroom to make space and ease distancing. 			
Use of academy resources in individual bubbles	Staff Pupils	Infection Control	<ul style="list-style-type: none"> • Where possible keep the use of resources to each allocated bubble. • Pupils should use their own pencils and pens and not share • All classroom based resources i.e. books and games should be cleaned regularly along with all frequently touched surfaces. 	High	Y	
Use of resources shared between bubbles or classes	Staff Pupils	Infection Control	<ul style="list-style-type: none"> • Shared resources between bubbles or classes should be cleaned frequently and meticulously and always between bubbles, or rotated to allow them to be left unused and out of reach for a period of 48 hours (72 hours for plastics) between use by different bubbles. 	High	Y	
Taking items/resources home	Staff Pupils	Infection Control	<ul style="list-style-type: none"> • Unnecessary taking home of equipment / resources discouraged • Cleaning as above if items are taken home. 	High	Y	
Assemblies Collective Worship	Staff Pupils	Spread of Infection due to close contact	<ul style="list-style-type: none"> • No assemblies or collective worship. 	Medium	Y	
Educational Visits	Staff Pupils	Infection Control	<ul style="list-style-type: none"> • No academy trips can commence. 	High	Y	
SEND Pupils	Staff Pupils	Spread of Infection due to close contact	<ul style="list-style-type: none"> • Pupils who have complex needs or who need close contact care, will continue as normal. • A risk assessment will be required to ensure staff who care for these pupils do not have any medical conditions which may put them in an at risk category. 	High	Y	

Attendance in academies	Pupils	Education suffering	<ul style="list-style-type: none"> Schools' responsibilities to record attendance CEV staff and students to work remotely until the government guidance changes in their Tier or undertake individual risk assessment to determine measures to put in place for safe working. 	Medium	Y	
Use of Supply teachers and other staff	Staff Pupils	Risk of Infection	<ul style="list-style-type: none"> Inform supply staff of the arrangements in place Consider using longer assignments for supply teachers and/or other staff Where possible minimise their movement around school and keep them in the same bubbles 			
Before and After academy clubs	Pupils Staff	Infection Control	<ul style="list-style-type: none"> No before or after academy clubs 	High	Y	
Music Lessons	Pupils Staff	Singing Playing an instrument	<ul style="list-style-type: none"> No music lessons 	High	Y	
Physical Activity	Pupils Staff	Infection Control	<ul style="list-style-type: none"> Outdoor sports where possible and contact sports avoided. Maximise distance between pupils Equipment used must be scrupulously cleaned after each use Encourage activities such as active mile. Indoor sports should be small groups only and social distancing carried out and all equipment cleaned after each group use. 	Medium	Y	
Pupils requiring using the toilet in lesson times	Pupils Staff	Infection Control	<ul style="list-style-type: none"> Toilets to be regularly cleaned. Adults to remind the children of the importance of washing their hands after using the toilet and on their return to the classroom, children should be prompted to use the hand sanitiser on entry. 	Medium	Y	

			<ul style="list-style-type: none"> • Where possible, toilet breaks to take place at designated times throughout the day and staggered across key stage bubbles. • One child to be let out per class, due to specific need or emergency. • Inform the child of the importance of washing their hands after using the toilet and where possible on their return to the classroom use the hand sanitiser on entering the classroom. • Toilet areas cleaned on a regular and frequent basis 			
Break times	Pupils	Spread of Infection due to close contact	<ul style="list-style-type: none"> • Pupils informed again of the importance of social distancing whilst outside. • Staggered break times for individual bubbles • Look at providing activities which can abide by the social distancing rules. • Supervising staff must keep a 2-metre distance from each other at all times where possible 	Medium	Y	
Break Times – Staff Room	Staff	Spread of Infection due to close contact	<ul style="list-style-type: none"> • Minimise the use of staff rooms where possible or a rota system in place if no other available rooms. • Staff must make their own drinks/food and wash and dry their own cups and other crockery and utensils. • Staff must be able to heat food and make a warm drink 	Medium	Y	
Break Times Classrooms	Staff Pupils	Spread of Infection due to close contact	<ul style="list-style-type: none"> • Whilst pupils are on breaks dedicated cleaning staff will clean tables and door handles with a disinfectant or disinfectant spray. • Cleaning staff will wear adequate PPE and must wear gloves whilst carrying out this task and wash hands after cleaning. • Dispose of all cloths in a closed bin and empty on a regular basis. • Daytime cleaning provision in place which is in line with ATT daytime cleaning procedures 	Medium	Y	

Lunch breaks	Staff Pupils	Spread of Infection due to close contact	<ul style="list-style-type: none"> • Pupils can bring packed lunches and these will be eaten in the hall during their lunch break. • Pupils to bring their own water bottles and each pupil to keep their own water on their table. These can be refilled throughout the day, removing the need to bring further drinks in from outside the academy. • All dietary requirements will be reviewed before re-opening and details recorded for new pupils receiving on-site catering. • Tables within the dining hall will be set up to ensure safe social distancing is continued during lunch and no pupils sit face-to-face. • Catering staff to wear PPE when delivering serving lunches to class spaces.in dining hall. • Catering provider have completed risk assessments to be shared with academy. • Pre-order of hot lunches available for pupils to minimise contact and ensure transition of bubble groups during lunch is completed swiftly. • Lunchtime staff and kitchen staff to maintain social distancing where possible from pupils. 	Medium	Y	
First Aid – minor treatment	Staff Pupils	Spread of Infection due to close contact	<ul style="list-style-type: none"> • Try to assist at a safe distance from the casualty as much as you can and minimise prolonged face to face contact when dealing with injuries. • Where minor first aid treatment is required First Aiders must ensure they wear gloves and a face covering if prolonged face to face contact when dealing with injuries. • Where possible (age and maturity of child) ask them to wipe away any blood or hold cold compresses etc. • Ensure records of injury and treatment are recorded and who administered first aid treatment. 	High	Y	

			<ul style="list-style-type: none"> • Always Wash your hands thoroughly with soap and water or an alcohol-based hand sanitiser as soon as possible after contact. • Ensure you safely discard disposable items and clean reusable ones thoroughly. 			
First Aid – Life threatening	Staff Pupils	Spread of Infection due to close contact	<ul style="list-style-type: none"> • In the event of a serious injury or incident call 999 immediately. Tell the call handler if the patient has any COVID-19 symptoms • Wear face covering and gloves when in close contact or dealing with bodily fluids <p>ADULTS</p> <ul style="list-style-type: none"> • In the event of CPR being required it is advised only chest compressions are given if you believe the person may be infected or you choose not to want to give mouth to mouth cover their mouth with a cloth. • Use of a defib if available. • Always Wash your hands thoroughly with soap and water or an alcohol-based hand sanitiser as soon as possible after contact. • Ensure you safely discard disposable items and clean reusable ones thoroughly <p>PUPILS</p> <ul style="list-style-type: none"> • In the event of CPR being required it is advised where possible to continue with the 5 rescue breaths and then chest compressions. • Use of a defib if available. • Always Wash your hands thoroughly with soap and water or an alcohol-based hand sanitiser as soon as possible after contact. • Ensure you safely discard disposable items and clean reusable ones thoroughly 	High	Y	
First Aid & Medication	Staff Pupils	First Aid Procedures	<ul style="list-style-type: none"> • First Aiders must always wear gloves when administering first aid procedures. 	High	Y	

	Others		<ul style="list-style-type: none"> • It is advisable a face covering is worn if having to deliver close contact first aid. (always refer to up to date information from Gov.UK) • Ensure records of administration are kept up to date and who administered the medication. • Any dressings used to be double bagged. • Where any medications are administered try and encourage the pupils to self-administer or consider wearing a face covering (always refer to up to date information from Gov.UK) • Always Wash your hands thoroughly with soap and water or an alcohol-based hand sanitiser as soon as possible after contact. • Ensure you safely discard disposable items and clean reusable ones thoroughly 			
Intimate Care	Staff	Lack of Infection Control	<ul style="list-style-type: none"> • When staff are carrying out any intimate care they must: (as per their usual requirements) • Wear gloves • Wear an apron • Wear a mask • Nappies, wipes etc. must be double bagged and placed into a bin (preferably a closed bin) • Soiled clothes to be double bagged and given to Parents on collection of child. • Staff must wash their hands once gloves and masks are removed • A poster to be displayed of instructions which must be followed. • Record all intimate care carried out. 	High	Y	
Pupils who are upset	Staff	Spread of Infection due to close contact	<ul style="list-style-type: none"> • Where a child is upset it is advised still trying to maintain a safe distance whilst offering comfort to child. • Encourage child to use a tissue to wipe eyes/nose etc. • If contact is required, consider short contact only. 	High	Y	

			<ul style="list-style-type: none"> Wash hands after contact 			
Pupils with behavioural issues	Staff	Spread of Infection due to close contact	<ul style="list-style-type: none"> Where possible allow the child to vent their frustrations Where possible allow child to be in a room on their own or outside If team teach techniques are required, and there is a risk of spitting it may be advisable advised to wear a face coverings. 	High	Y	
Pupils who are shielding	Pupils	Risk of infection	<ul style="list-style-type: none"> Remain at home during a National Lockdown. 	High	Y	
Staff who are clinically vulnerable or extremely clinically vulnerable.	Staff	Concerns Worry	<ul style="list-style-type: none"> Currently, clinically extremely vulnerable people in Tier 4 areas are advised to follow shielding advice. No other areas are currently advised to shield. Updated advice on protecting the clinically extremely vulnerable, based on the tiers of local restrictions in your area. The 4 tiers are Tier 1: Medium, Tier 2: High, Tier 3: Very High and Tier 4: Stay at Home. The advice sets out the additional things people at the highest risk from COVID-19 are advised to do to keep themselves safe for each tier. Advice for those who are clinically-vulnerable, including pregnant women, is available. Pregnant women should work from home. Academy leaders should be flexible in how those members of staff are deployed to enable them to work remotely. People who live with those who are clinically extremely vulnerable or clinically vulnerable can attend the workplace. 	High	Y	
Pregnant Staff	Staff	Concerns Worry	<ul style="list-style-type: none"> As a general principle, pregnant women are in the 'clinically vulnerable' category and are advised to follow the relevant guidance available for clinically-vulnerable people. Pregnant staff should work remotely. 	High	Y	

Staff who may otherwise be at increased risk from COVID 19	Staff	Concerns Worry COVID 19	<ul style="list-style-type: none"> • Some people with particular characteristics may be at comparatively increased risk from coronavirus (COVID-19), as set out in the COVID-19: review of disparities in risks and outcomes report. The reasons are complex and there is ongoing research to understand and translate these findings for individuals in the future. If people with significant risk factors are concerned, we recommend schools discuss their concerns and explain the measures the school is putting in place to reduce risks. School leaders should try as far as practically possible to accommodate additional measures where appropriate. • People who live with those who have comparatively increased risk from coronavirus (COVID-19) can attend the workplace. 	High	Y	
Use of Outdoor Play Equipment	Pupils	Risk of Infection	<ul style="list-style-type: none"> • Ensure all fixed outdoor play equipment and other equipment has been inspected and tested prior to pupils using. • Social distancing to continue to be maintained where possible if this is not possible ensure separate bubbles use equipment one bubble at a time. • Limit the number of users on the equipment at any one time. <p>Sanitise frequently touch point areas:</p> <ul style="list-style-type: none"> • playground equipment for pupils, usually up to age 14, such as slides monkey bars and climbing frames • semi enclosed playhouses or huts for small pupils • enclosed crawl through 'tunnels' or tube slides • exercise bars and machine handles on outdoor gym equipment • entry and exit points such as gates • seating areas such as benches and picnic tables • refuse areas/bins 	High	Y	

			<p>Equipment to be sanitised between each bubble use where possible.</p> <p>Pupils to clean / sanitise hands prior to use and after use.</p> <ul style="list-style-type: none"> Remind pupils not to put hands near mouth or nose. <p>No food or drink to be consumed when using any outdoor equipment.</p> <p>Signs informing Parents</p> <ul style="list-style-type: none"> Signs to be displayed informing Parents to keep their pupils off the equipment and it is for supervised use only for pupils when in the academy. <p>Pupils with Additional Needs</p> <ul style="list-style-type: none"> May require frequent reminders about rules of behaviour, especially if having to wait for use of equipment. Pupils with physical and sensory disabilities may need assistance with moving from one place to the next <p>Keeping Staff Safe</p> <ul style="list-style-type: none"> Ensure staff only supervise their pupil bubbles Staff to have a supply of sanitising equipment throughout the academy and in each classroom and if required PPE 			
Use of Outside Gyms	Pupils	Risk of Infection	<p>Follow the same control measures as above plus:</p> <ul style="list-style-type: none"> for outdoor gyms the introduction of a clearly marked one-way system around the fixtures/ machines, to help prevent users from coming into close contact with each other for outdoor gyms, where machines and equipment are less than 2 metres apart pieces of equipment should be moved to allow social distancing measures to be adhered to if possible. If not possible, 1 metre distance with risk mitigation is acceptable. (follow controls for outdoor play) 	High		

			<ul style="list-style-type: none"> All items must be cleaned between use by different bubbles 			
Pupils leaving at the end of the academy day. Walking home alone or not being collected by Parent	Staff Parents Others	Spread of Infection due to close contact	<ul style="list-style-type: none"> Pupils to be informed of the requirement to maintain social distancing when leaving the academy. Staff on duty outside to ensure pupils leave in a safe manner. Staggered times where possible. Staff to wear PPE and maintain the 2M rule 2M waiting spaces clearly marked out and all parents must wear face mask if they enter the academy grounds. 	Medium	Y	
Parent wishing to talk to staff	Staff	Spread of Infection due to close contact	<ul style="list-style-type: none"> Parents will be informed that the majority of conversations with staff will be either over the phone or if this is not possible a meeting will be arranged, and social distancing rules observed. Parents will be discouraged in congregating around the academy site. 2M waiting spaces will be clearly marked out for parents to wait at each access point 	Medium	Y	
Awareness of policies / procedures / Guidance	Staff Pupils Others	Inadequate information	<ul style="list-style-type: none"> All staff, returning back to work must ensure they are aware of the current guidelines in regard to safe distancing and washing hands on a regular basis. All staff are able to access the following information on-line for up to date information on COVID-19 <ul style="list-style-type: none"> ➤ Public Health England ➤ Gov.co.uk ➤ NHS ➤ DfE ➤ Department for Health and Social Care The relevant staff receive any necessary training that helps minimise the spread of infection, e.g. infection control training. (washing of hands, cleaning up bodily fluids) 	High	Y	

			<ul style="list-style-type: none"> • Staff are made aware of the academy’s infection control procedures in relation to coronavirus via email or staff meetings and contact the academy as soon as possible if they believe they may have been exposed to coronavirus. • Parents are made aware of the academy’s infection control procedures in relation to coronavirus via letter, posters or social media – they are informed that they must contact the academy as soon as possible if they believe their child has been exposed to coronavirus. • Pupils are made aware of the academy’s infection control procedures in relation to coronavirus via school staff and are informed that they must tell a member of staff if they feel unwell. 			
Poor hygiene practice	Staff Pupils Others	Ill Health	<ul style="list-style-type: none"> • Posters are displayed throughout the academy reminding pupils, staff and visitors to wash their hands, e.g. before entering and leaving the academy. • Pupils, staff and visitors are encouraged to wash their hands with soap or alcohol-based sanitiser (that contains no less than 60% alcohol) and follow infection control procedures in accordance with the DfE and PHE’s guidance. • Sufficient amounts of soap (or hand sanitiser where applicable), clean water and paper towels/hand dryers are supplied in all toilets and kitchen areas. • Pupils are forbidden from sharing cutlery, cups or food. • All cutlery and cups are thoroughly cleaned before and after use. • Cleaners to carry out daily, comprehensive cleaning that follows national guidance and is compliant with the COSHH Policy and the Health and Safety Policy. • A senior member of staff arranges enhanced cleaning to be undertaken where required – advice about 	HIGH	Y	

			enhanced cleaning protocols is sought from the Health Protection Team /Public Health England			
Response to any infection	Principal	COVID 19	<ul style="list-style-type: none"> • 7) engage with the NHS Test and Trace process • 8) manage confirmed cases of coronavirus (COVID-19) amongst the academy community • 9) contain any outbreak by following local health protection team advice • Numbers 7 to 9 must be followed in every case where they are relevant. • Follow ATT Guidance for managing confirmed cases and symptomatic pupils 	High	Y	
Track and Trace	Staff Pupils Others	Coronavirus Symptoms	<ul style="list-style-type: none"> • If a pupil or member of staff or others are showing symptoms they must go home immediately to self-isolate. • The academy to inform staff and Parents they must be willing to take a test if they are displaying symptoms. • All pupils can be tested (including pupils under 5) • They should provide details of close contacts if they test positive or if asked by NHS track and Trace • Self-isolate if they have been in close contact with someone who has tested positive for coronavirus. 	High	Y	
Testing Negative	Staff Pupils Others	COVID 19	<ul style="list-style-type: none"> • If someone tests negative, if they feel well and no longer have symptoms similar to coronavirus (COVID-19), they can stop self-isolating. They could still have another virus, such as a cold or flu – in which case it is still best to avoid contact with other people until they are better. Other members of their household can stop self-isolating. 	High	Y	
Testing positive	Staff Pupils Others	COVID 19	<ul style="list-style-type: none"> • If someone tests positive, they should follow the ‘stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection’ and must continue to self-isolate for at least 7 days from the onset of their symptoms and then return to academy 	High Y		

			<p>only if they do not have symptoms other than cough or loss of sense of smell/taste. This is because a cough or anosmia can last for several weeks once the infection has gone. The 7-day period starts from the day when they first became ill. If they still have a high temperature, they should keep self-isolating until their temperature returns to normal.</p> <ul style="list-style-type: none"> • Other members of their household should continue self-isolating for the full 10 days. • ATT Academies to follow guidance in Managing Confirmed cases and symptomatic pupils procedure 			
Manage positive cases amongst the academy community	School Principal	COVID 19	<ul style="list-style-type: none"> • Academies must take swift action when they become aware that someone who has attended has tested positive for coronavirus (COVID-19). Academies should contact the local health protection team. This team will also contact academies directly if they become aware that someone who has tested positive for coronavirus (COVID-19) attended the academy – as identified by NHS Test and Trace. • The health protection team will carry out a rapid risk assessment to confirm who has been in close contact with the person during the period that they were infectious, and ensure they are asked to self-isolate. • The health protection team will work with academies in this situation to guide them through the actions they need to take. Based on the advice from the health protection team, academies must send home those people who have been in close contact with the person who has tested positive, advising them to self-isolate for 10 days since they were last in close contact with that person when they were infectious. Close contact means: 	High	Y	

			<ul style="list-style-type: none"> • direct close contacts - face to face contact with an infected individual for any length of time, within 1 metre, including being coughed on, a face to face conversation, or unprotected physical contact (skin-to-skin) • proximity contacts - extended close contact (within 1 to 2 metres for more than 15 minutes) with an infected individual • travelling in a small vehicle, like a car, with an infected person • The health protection team will provide definitive advice on who must be sent home. To support them in doing so, we recommend academies keep a record of pupils and staff in each group, and any close contact that takes place between pupils and staff in different groups (see section 5 of system of control for more on grouping pupils). This should be a proportionate recording process. Academies do not need to ask pupils to record everyone they have spent time with each day or ask staff to keep definitive records in a way that is overly burdensome. • Household members of those contacts who are sent home do not need to self-isolate themselves unless the child, young person or staff member who is self-isolating subsequently develops symptoms. If someone in a class or group that has been asked to self-isolate develops symptoms themselves within their 10-day isolation period they should follow 'stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection'. They should get a test, and: • If the test delivers a negative result, they must remain in isolation for the remainder of the 10-day isolation 			
--	--	--	---	--	--	--

			<p>period. This is because they could still develop the coronavirus (COVID-19) within the remaining days.</p> <ul style="list-style-type: none"> • If the test result is positive, they should inform their setting immediately, and must isolate for at least 7 days from the onset of their symptoms (which could mean the self-isolation ends before or after the original 10-day isolation period). Their household should self-isolate for at least 10 days from when the symptomatic person first had symptoms, following 'stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection' • Acadmies should not request evidence of negative test results or other medical evidence before admitting pupils or welcoming them back after a period of self-isolation. • Further guidance is available on testing and tracing for coronavirus (COVID-19). • ATT Academies to follow guidance in Managing Confirmed cases and symptomatic pupils procedure 			
Contain an outbreak	School Principal	Not following advice	<ul style="list-style-type: none"> • If academies have two or more confirmed cases within 10 days, or an overall rise in sickness absence where coronavirus (COVID-19) is suspected, they may have an outbreak, and must continue to work with their local health protection team who will be able to advise if additional action is required. • In some cases, health protection teams may recommend that a larger number of other pupils self-isolate at home as a precautionary measure – perhaps the whole site or year group. If academies are implementing controls from this list, addressing the risks they have identified and therefore reducing transmission risks, whole academy closure based on cases within the academy will not generally be 	High	Y	

			necessary, and should not be considered except on the advice of health protection teams.			
Ill health	Staff Pupils Others	Coronavirus Symptoms	<ul style="list-style-type: none"> • Staff are informed of the symptoms of possible coronavirus infection, e.g. a cough, difficulty in breathing and high temperature, and are kept up to date with national guidance about the signs, symptoms and transmission of coronavirus. • Any pupil or member of staff who displays signs of being unwell, such as having a cough, fever or difficulty in breathing, and believes they have been exposed to coronavirus, is immediately taken out of the class and placed in an area where they will not come into contact with others and are supervised at all times. • The relevant member of staff calls for emergency assistance immediately if pupils' symptoms worsen. • The parents of unwell pupils are informed as soon as possible of the situation by a relevant member of staff. • Where contact with a pupil's parents cannot be made, appropriate procedures are followed in accordance with those outlined in governmental guidance. • Unwell pupils who are waiting to go home are kept in an area where they can be at least two metres away from others. • Areas used by unwell staff and pupils who need to go home are appropriately cleaned once vacated, using a disinfectant and care to be taken when cleaning all hard surfaces. • If unwell pupils and staff are waiting to go home, they are instructed to use different toilets to the rest of the academy to minimise the spread of infection. • Any pupils who display signs of infection are taken home immediately, or as soon as practicable, by their parents – the parents are advised to contact NHS 111 	High	Y	

			<p>immediately or call 999 if the pupil becomes seriously ill or their life is at risk.</p> <ul style="list-style-type: none"> Any members of staff who display signs of infection are sent home immediately and are advised to contact NHS 111 immediately or call 999 if they become seriously ill or their life is at risk. Any medication given to ease the unwell individual's symptoms, e.g. Paracetamol, is administered in accordance with the Administering Medications Policy. 			
Spread of infection	Staff Pupils Others	Lack of infection control	<ul style="list-style-type: none"> Spillages of bodily fluids, e.g. respiratory and nasal discharges, are cleaned up immediately in line with guidance, using PPE at all times. Parents are informed not to bring their pupils to academy or on the academy premises if they show signs of being unwell and believe they have been exposed to coronavirus. Staff and pupils do not return to the academy before the minimum recommended exclusion period (or the 'self-isolation' period) has passed, in line with national guidance. Pupils who are unwell are not taken on academy trips or permitted to enter public areas used for teaching, e.g. swimming pools. Parents notify the academy if their child has an impaired immune system or a medical condition that means they are vulnerable to infections. The academy in liaison with individuals' medical professionals where necessary, reviews the needs of pupils who are vulnerable to infections. Any additional provisions for pupils who are vulnerable to infections are put in place by the principal, in liaison with the pupil's parents and central ATT where necessary. 	High	Y	

Occupational Health	Staff Others		<ul style="list-style-type: none"> • Senior ATT leadership and Senior Academy management are to carry out regular and robust checks to provide staff with the latest and up to date information advice & guidance. • Occupational health advice should be part of strategic planning and may be required on an individual basis on issues including: <ul style="list-style-type: none"> • return to work after testing, isolation, or illness • management of staff who have concerns about specific vulnerability. • CEV staff and students to work remotely until the government guidance changes. 	High	Y	
Poor management of infectious diseases	Staff Pupils Others	Lack of infection control	<ul style="list-style-type: none"> • Everyone is instructed to monitor themselves and others and look out for similar symptoms if a pupil or staff member has been sent home with suspected coronavirus. • Staff are vigilant and report concerns about their own, a colleague's or a pupil's symptoms to the Principal or SLT as soon as possible. • The academy is consistent in its approach to the management of suspected and confirmed cases of coronavirus. • The academy is informed by pupils' parents when pupils return to academy after having coronavirus – the academy informs the relevant staff. • Staff inform the headteacher when they plan to return to work after having coronavirus. • The academy is consistent in its approach to the management of suspected and confirmed cases of coronavirus and follows the ATT procedures advice of the local health protection team HPT. 	High	Y	

			<ul style="list-style-type: none"> • Staff to remain in contact with the Principal regarding when they plan to return to work, after having Coronavirus. • Central Estates monitors the cleaning standards of the academy cleaning contractors and additional measures required with regards to managing the spread of Coronavirus are being implemented with cleaning arrangements and specification outlined for the academy. 			
Lack of communication	Pupils Staff Parents Others	Infection Control	<ul style="list-style-type: none"> • The academy staff reports immediately to the principal about any cases of suspected coronavirus, even if they are unsure. • The principal contacts the local HPT or follows the advice given from and discusses if any further action needs to be taken. • Academies put into place any actions or precautions advised by their local HPT. • Academies keep staff, pupils and parents adequately updated about any changes to infection control procedures as necessary. 	High	Y	
Cleaning while academy open	Staff	Infection Control	<ul style="list-style-type: none"> • All hard surfaces to be cleaned on a regular basis, this will include <ul style="list-style-type: none"> ➢ All door handles ➢ All tables and chairs used by staff and pupils ➢ Toilet flushes and regular cleaning of toilets. • These should be carried out as a minimum of twice a day • All classrooms to have spray disinfectant and where possible disposable cloths. If disposable cloths are not available use once and then put in wash. • Regular cleaning of surfaces will reduce the risk of spreading the virus. • All used cloths thrown away to be double bagged and then placed in a secure area i.e. lockable bin. 			

			<ul style="list-style-type: none"> All sites to follow ATT daytime cleaning procedure 			
Estates	Staff Pupils	Health & Safety Infection Control	<ul style="list-style-type: none"> Site Staff to ensure academy is safe and ready for opening in Spring term All statutory testing and in-house testing carried out. Ensure there are plenty of wash areas for staff and pupils to wash hands Ensure Legionella risks have been managed and all appropriate testing carried out. 	High	Y	
Statutory Tests and Inspections	Staff Pupils	Health & Safety Infection Control	<ul style="list-style-type: none"> Statutory inspections to continue but with social distancing in place at all times and completed out of hours where possible. In-house inspections should continue to ensure the school remains as safe as possible. Contractors to be permitted into academy following safe distancing measures and providing COVID 19 risk assessments. 	High	Y	
Contractors in the academy	Staff Pupils	Health & Safety Infection Control	<ul style="list-style-type: none"> Where contractors are coming into the academy they must have up to date Risk Assessments and Method Statements. Control measures regarding the Coronavirus must be included within their RAMs. Academy to ensure no pupils or staff are in the area where contractors are working. Contractors will be designated a toilet they can use whilst on site. Contractors will be responsible for removing all rubbish they have created and to clean their area of work prior to leaving. They must ensure no workers are displaying any signs or symptoms of Coronavirus prior to entering the school site. 	High	Y	

			<ul style="list-style-type: none"> If they become aware of a contractor coming down with symptoms within 14 days of being at the academy, they must inform the school immediately. 			
Emergencies	Staff Pupils	Infection Control	<ul style="list-style-type: none"> All staff and pupils' emergency contact details are up-to-date, including alternative emergency contact details, where required. Pupils' parents are contacted as soon as practicable in the event of an emergency. Staff and pupils' alternative contacts are contacted where their primary emergency contact cannot be contacted. 	High	Y	
Mental Health and well being	Staff	Anxiousness	<ul style="list-style-type: none"> Have regular keep in touch meetings/calls with people working at home to talk about any work issues Talk openly with workers about the possibility that they may be affected and tell them what to do to raise concerns or who to go to so they can talk things through Involve workers in completing risk assessments so they can help identify potential problems and identify solutions Keep workers updated on what is happening so they feel involved and reassured Discuss the issue of fatigue with employees and make sure they take regular breaks, are encouraged to take leave, set working hours to ensure they aren't working long hours 	High	Y	
Volunteers in the academy	Pupils	No DBS checks	<ul style="list-style-type: none"> Under no circumstances should a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity. Mixing of volunteers across groups should be kept to a minimum, and they should remain 2 metres from pupils and staff where possible. 	High	Y	
Safeguarding	Pupils	Incidents	<ul style="list-style-type: none"> Always follow the statutory safeguarding guidance 	High	Y	

			<ul style="list-style-type: none"> • Designated safeguarding leads and deputies provided with more time in the first few weeks of term to help support staff and pupils regarding any additional or new safeguarding referrals • Communication with other agencies and school nurse for pupils not seen in academy prior to return. • DSL/DDSL follow ATT guidelines in terms of contacting and recording contact with vulnerable students. 			
Contingency Plans for Outbreaks Local Outbreaks	Pupils Staff	Academy shutting	<ul style="list-style-type: none"> • In the event of a local outbreak, the PHE health protection team or local authority may advise a academy or number of academies/ schools to close temporarily to help control transmission. • Academies will also need a contingency plan for this eventuality. • This may involve a return to remaining open only for vulnerable pupils and the pupils of critical workers and providing remote education for all other pupils. • All staff and pupils' emergency contact details are up-to-date, including alternative emergency contact details, where required. • Pupils' parents are contacted as soon as practicable in the event of an emergency. • The academy staff have access to the local HPT contact details and ATT procedure to follow in the event of an outbreak or suspected case of COVID-19. • The academy has access to and follows ATT Guidance for Managing Symptomatic Pupils and Confirmed Cases of COVID-19. • The academy follows the procedures in the Track and Trace government scheme. Please refer to Track and Trace guidance in ATT Guidance and Procedure for Managing Symptomatic Pupils and Confirmed Cases of COVID-19. 	High	Y	

			<ul style="list-style-type: none">• The academy has an up-to-date Business Continuity Plan in place should the academy have to close.
