Statement of intent

We believe passionately that we are only as good as our people, and that the key to delivering the best outcomes for our learners is to have the right people working in every single part of our trust.

Our approach to recruitment needs therefore to be not only compliant in terms of process but also innovative and inspirational in ensuring that there is a genuine 'fit' between us as an organisation and those who seek to join us

We are committed to safeguarding and promoting the welfare of children and young people. We expect all colleagues, volunteers, and Local Academy Committee (LAC) members to share this commitment and to undergo appropriate checks, including where required enhanced Disclosure and Barring Service (DBS) checks.

Our key principles for a safe and professional recruitment process are: -

- To ensure that they are robust, fit for purpose and will withstand the toughest scrutiny
- To appoint the best people for each position, with the appropriate qualifications, skills, and experience
- To ensure that we comply with the law and statutory guidance
- To promote our core values
- To promote diversity and equality and treating people fairly and with respect
- To safeguard children, young people and vulnerable learners across our Trust

This policy has been designed to provide a flexible framework which promotes good practice, complies with relevant legislation, and supports fully our core business.

1 Legal framework and definitions

1.1 This policy has due regard to statutory legislation and guidance, including, but not limited to

- The Education Act 2002
- The Freedom of Information Act 2000
- The Immigration Act 2016
- The Equality Act 2010
- The General Data Protection Regulation (GDPR)
- The Data Protection Act 2018
- The Education (Independent School Standards) Regulations 2014.
- Keeping Children Safe in Education and Safer Recruitment in Education Guidance
- Education Working together to Safeguard Children Guidance
- Rehabilitation of Offenders Act

1.2 This policy also takes account of the most recent version of 'Guidance for safer working practice for those working with children and young people in education settings' (non-statutory).

1.3 Where this policy refers to 'ATT' or 'the Trust', this should be taken to include any member of the Trust's staff, including governors and Trustees.

2 Scope and purpose

2.1 This policy applies to the recruitment and selection of all people to our Trust or any of our academies.

2.2 All colleagues involved at any stage of the recruitment and selection of our people must be aware of and adhere to the content of this policy. In addition, any external consultants, recruitment agencies or external experts who assist in the recruitment process must act in accordance with this policy. The appointing manager is responsible for providing such external parties with this policy prior to their involvement in the recruitment process.

2.3 We will ensure that recruitment and selection of staff is conducted in a professional, timely and responsive manner and in compliance with current employment legislation.

2.4 We will ensure that our recruitment process provides value for money.

3. Equal Opportunities

3.1 We are committed to eliminating discrimination and encourage diversity amongst our colleagues. We are committed to ensuring quality and fairness for all in our recruitment and employment practices and undertake not to discriminate on the grounds of age, disability, gender reassignment, marriage/civil partnership status, pregnancy and maternity, race, religion or belief, sex or sexual orientation. We oppose all forms of unlawful and unfair discrimination.

3.2 The procedures contained within this document must always be applied fairly and in accordance with employment law and our Equal Opportunities (Staff) Policy.

3.3 Recruitment decisions will be made on the basis of the applicant's abilities and individual merit as measured against the criteria for the job. Qualifications, knowledge, experience and skills will be assessed at the level that is relevant to the job. If an applicant makes the Trust aware, at any stage of the recruitment process, that they have a disability then reasonable adjustments must be considered to ensure the applicant is not disadvantaged by the process.

3.3 We comply fully with the provisions of the Rehabilitation of Offenders Act. Our policy statement for the recruitment of ex-offenders can be seen at Appendix 9.

- 3.4 We will monitor the success of recruitment in relation to diversity aims by requesting applicants to provide equal opportunities details.

4. Safer Recruitment

- 4.1 All recruitment must be in line with this policy, our Safer Recruitment Procedures shown in Appendix 1 and legal requirements in order to ensure that we identify, deter, and prevent people who pose a risk of harm from working with our learners.
- 4.2 All offers of employment will be subject to our being satisfied that the applicant or volunteer is a suitable person to work with our learners.
- 4.3 All colleagues involved in recruitment must read the current version of Keeping children safe in Education guidance (or updated statutory guidance) produced by the DfE, our Safeguarding Policy and the academy's Child Protection Policy. These can be obtained from the academy's Designated Safeguarding Lead (DSL) or from our Director of Safeguarding.
- 4.4 All recruitment must be planned to ensure that there is adequate time available to recruit safely.
- 4.5 Any person who becomes aware that this policy is not being followed during recruitment must inform the Principal, DSL or their Regional Human Resources colleague immediately.
- 4.6 All of the safer recruitment pre-employment checks described in this policy and shown in Appendix 2 must be carried out and have been determined as satisfactory before an applicant can commence their employment in our Trust.

5. Recruitment Planning

- 5.1 The Principal, in discussions with the Executive Principal, is responsible for deciding on the arrangements to recruit to any post within each of our academies. For central or regional or cluster-based colleagues, these arrangements will be determined by the appropriate Director or Cluster Lead. In the case of appointments at Principal level and above, the arrangements will be determined by the Chief Executive Officer (CEO) or appropriate Executive Leadership Team (ELT) colleagues with the involvement of Trustees. Trustees themselves will determine the arrangements for the recruitment specifically of the CEO, Chief Finance Officer (CFO) and Company Secretary. For ease, in this policy, these leaders responsible for recruitment will be referred to as the recruiting leader.
- 5.2 Leaders will utilise the Education Challenge Support and Intervention (ECSI) cycle and the Finance CSI (FCSI) cycle to routinely discuss, plan and map out staffing needs. When a vacancy occurs due to a colleague's leaving, the Principal, in discussions with the Executive Principal or the appropriate leader will review the vacancy and decide whether it requires filling in its existing form, or indeed at all, based on the business need and budgets.
- 5.3 The recruitment and selection process must not commence until approval has been sought. The approval process must include the completion of a "Request to Recruit" form (Appendix 3) completed by the Principal, in conjunction with the Human Resources Administrator and also signed by Regional HR and Regional Finance colleagues. The recruiting leader is ultimately responsible for approving the "Request to Recruit" form.
- 5.4 All support staff positions with a new or significantly amended job description and person specification must be evaluated for salary purposes by the HR department before recruitment can take place.

6 Advertising

- 6.1 All vacant posts will be advertised to ensure equality of opportunity and encourage as wide a field of candidates as possible. This will normally mean placing an advertisement externally. However, where there is a reasonable expectation that there are sufficient, suitably qualified

internal colleagues, or colleagues at risk of redundancy, vacancies may be advertised internally before an external advertisement.

- 6.2 At a minimum, where possible, all posts will be advertised internally for at least 7 days and where possible, external adverts will be published for a minimum of 14 days. Advertising decisions will be made based on the type of role, likely candidate pool and budget limitations. Guidance can be sought from the HR department.
- 6.3 All vacancies must be advertised using our chosen vacancy platform, which will ensure that adverts are placed on our Trust career site as well as the relevant academy career site.
- 6.4 For any vacancies that are deemed difficult to recruit or have struggled to attract suitable candidates, appropriate alternative sources can be used with authorisation from both the appropriate Regional Education Director and HR Director, to proactively seek suitable candidates.
- 6.5 Adverts are the key means for attracting candidates. Care must be taken to ensure the advert entices candidates to apply for the positions reflecting the complete role and organisation accurately. Model advert templates for each academy are available from your Regional HR colleague.
- 6.6 HR Administrators are responsible for quality checking the adverts when placed, ensuring accuracy of all content including any associated recruitment literature.

7 Job Description

- 7.1 A job description will be required for all posts which describes the duties and responsibilities of the post. It must be up to date, accurate and specific to the role. The job description must also include a person specification which outlines all the necessary skills, experience, qualifications, and knowledge requirements for the post.
- 7.2 All applicants will be provided with sufficient information regarding our Trust, the academy, and the post, so that they can make informed decisions regarding their suitability.
- 7.3 All job description and person specification must make reference to the responsibility for safeguarding and promoting the welfare of children.

8. Application Form

- 8.1 It is our policy for candidates to use our application form for the appointment of all people which contains questions about the candidate's personal details, academic and full employment history and their suitability for the role. In addition, all applicants are required to account for any gaps or discrepancies in their employment history.
- 8.2 CV must not be accepted. If our application form is not completed the candidate will not be considered for the role.
- 8.3 All volunteers must complete a volunteer application form. Prospective governors must complete a LAC application form.
- 8.4 Candidates can also join our Talent Pool by registering their details via the Talent Pool link on our Trust website. Human Resources and leaders will regularly review the talent pool to assess any suitable candidates for any of our live vacancies.

9. Shortlisting

- 9.1 Shortlisting must be undertaken separately by at least two colleagues, before coming together to finalise the shortlist. As least one member of the shortlisting panel must be safer recruitment trained.

- 9.2 Shortlisting must be undertaken taking into account the criteria on the job description and person specification and be documented for audit and scrutiny purposes. Shortlisting matrix templates can be obtained from Regional HR.
- 9.3 The shortlisting panel must identify gaps in employment and any discrepancies on the application. If shortlisted, these must be investigated at interview and recorded. Once the shortlist is agreed, the shortlisted candidates will be contacted to invite them to interview, confirming the date and time, format for the day and any preparation/task required. Candidates must also be asked to bring relevant documentation to confirm their identity, right to work in the UK, qualifications and documents they need to undertake DBS checks with them as listed in Appendix 4. Photocopies must be taken of the relevant documents and the person reviewing them must verify them by adding their signature, name, position and date.
- 9.4 At the point that a candidate is shortlisted for interview, the candidate will be required to complete Appendix 8 – Relevant Criminal Conviction Disclosure Form. This form should only be given to shortlisted candidates and must be allowed 5 working days to complete this prior to interview.
- 9.5 It is reasonable for applicants to be informed of the outcome of their application by a “regret email”, as soon as possible following the shortlisting process.

10. Pre-Interview Checks (Reference)

- 10.1 Two references will be sought by Human Resources for all shortlisted candidates prior to interview (where possible). One of these references must be the current/most recent Employer. Permission must be granted by the applicant before references are approached. Reference request templates are available from the Human Resources department.
- 10.2 References will ideally be received prior to interview. In the event they are not, a conditional offer must not be made until at least one, but ideally both, satisfactory references are received and approved by the recruiting leader. Any offer made, whether one or both references are received is deemed conditional upon all pre-employment checks including reference being undertaken and can therefore be withdrawn in the event of unsatisfactory checks.
- 10.3 If a candidate for a teaching post is not currently employed as a teacher but has been previously, a reference must additionally be sought from the school, academy, college or local authority at which they were most recently employed, to confirm details of their employment and their reason for leaving.
- 10.4 For internal candidates, two references must also be obtained. One reference must be from their current line manager. If the line manager is on the interview panel an alternative referee must be sought.
- 10.5 For volunteers two references must also be sought, one of which may be a character reference, although two professional references are preferred.
- 10.6 References must always be sought and obtained directly from the referee; testimonials or open references cannot be accepted.
- 10.7 References must be checked carefully to ensure that all specific questions have been answered satisfactorily. Any issues or concern or inconsistencies between information given by the candidate on his/her application form and information given by referees must be explored at interview and recorded. The referee can be contacted to provide further clarification as appropriate.
- 10.8 In order to comply with the Equality Act 2010, information relating to sickness absence will only be requested after a conditional offer of employment has been made.

10.9 **Under no circumstances should recruiting leaders make unconditional offers of employment.**

11. Interviews

11.1 Interviews will be carried out by a minimum of two colleagues, one of whom must be the line manager, and at least one of whom must be trained in safer recruitment procedures.

11.2 Considerable care needs to be taken over the practical arrangements for the selection day. The process has an impact on how we are perceived by candidates. Where candidates have indicated that they have a disability which requires a reasonable adjustment to be made, they must be asked how the process can be made more accessible for them and timely plans must be made for adjustment.

11.3 A face to face interview must take place for all applicants to all posts. In some circumstances the use of video conferences, Microsoft Teams, Skype or other similar technologies can be acceptable for this purpose.

11.4 The selection panel will draw up selection criteria taking account of the job description and person specification. They will consider the range of selection activities to be used, being clear how the activities allow them to apply the criteria. Selection panels must also consider how activities inform candidates of the nature of both the post and our organisation, thinking about areas such as culture and ethos. The candidates must be advised of the nature of the section activities prior to interview. Such activities could include: -

- Observation of teaching practices
- One or more additional panel interviews (e.g student panel)
- A presentation
- In tray exercises
- Psychometric testing

11.5 Where the selection process is for any teaching role, including leadership and Principal roles, the activities must include candidates being observed teaching pupils. Where the process is for a leadership role over a teaching and learning area, an activity witnessing and feeding back on delivery to pupils must also be included.

11.6 The interview must explore issues relating to safeguarding and promoting the welfare of children, including awareness of issues relating to the Prevent Agenda. Our Interview Question template (Appendix 5) must be used in all cases, which clearly provides sample questions to ask. Safeguarding must be paramount throughout the interview and not simply an add-on question at the end of the interview.

11.7 All candidates must be subject to the same selection tasks. Every interview must be structured, and the same questions asked of all candidates. It is however acceptable to ask a follow up or probing questions based on the candidate's responses and/or details/discrepancies in their application form or references.

11.8 Each panel member must complete their own notes on each candidate. Interview notes must be factual, noting candidate responses and performance during the selection process. Notes must not be personal – candidates have the right to request any information written about them. The responses to each question will be scored based on the stated criteria.

11.9 Following the completion of all selection activities, the interview panel will discuss the performance of each candidate and collate scoring. Care must be taken to minimise unconscious biases and ensure appointment is based on merit. The successful candidate

should, as a minimum, fulfil all the essential requirements listed within the person specification.

12 Senior Leadership Recruitment and Selection

- 12.1 When recruiting for a Principal post or above, the recruiting leader will refer to the resources and guidance provided in the “Senior Leadership Recruitment – toolkit” as well as seeking guidance and support from their regional HR colleague. This will ensure consistency and quality of process for such crucial roles within our Trust.
- 12.2 Additional due diligence will be undertaken during the longlisting and shortlisting process in relation to Ofsted inspection outcomes of the candidates’ current place of work, as well as student outcomes (results). The same data for the candidates’ previous workplaces may also be taken into consideration during the longlisting and shortlisting process.
- 12.3 The selection for senior leader roles will ordinarily take place over a 2-day process with a variety of selection tasks and activities taking place in day 1 and formal interviews taking place in day 2. This is to ensure a thorough and robust selection process is applied for such crucial roles within our Trust.
- 12.4 For roles at Principal level or above, a representative from our Board of Trustees will be involved in the selection process.
- 12.5 Although the “Senior Leadership Recruitment – toolkit” is designed with the roles of Principal and Executive Principal in mind, however some aspects may be applicable to other roles, such as Regional Education Director, Vice Principal or Assistant Principal.

13 Offer and Feedback

- 13.1 Candidates must be notified of the outcome of the interview process as soon as possible after the selection day by either the HR department or by the recruiting leader. It is good practice to offer feedback to unsuccessful candidates.
- 13.2 No offer should be made until at least one, and ideally both references are received. Any offer made is conditional upon receipt of satisfactory references and all pre-employments checks including an enhanced DBS Check.
- 13.3 It is also good practice for the chair of the interview panel (usually the recruiting leader) to call the successful candidates to make the initial conditional offer, which must then be followed up with relevant administration confirming details and next steps in writing, support will be given from the HR department.

14 Pre-Employment Checks

- 14.1 Once a conditional offer has been made, the HR Department will undertake all regulatory requirements in respect of all pre-employment checks as set out in Appendix 2. Further details on these checks can also be found in the ATT SCR Toolkit – Guidance.
- 14.2 The recruiting leader is responsible for ensuring all the pre-employment checks are carried out and that discrepancies/unsatisfactory checks are followed up on. Written confirmation must be retained on the personnel files.
- 14.3 An appointment must not be confirmed until all the necessary checks are satisfactorily completed.
- 14.4 All checks must be confirmed in writing, retained on the personnel file and recorded on the Single Central Record (SCR) as appropriate.

15 Disclosure and Barred Services (DBS) checks – new employees and volunteers

- 15.1 We will carry out a risk assessment to determine if a DBS check is required for each volunteer in accordance with Annexe F of Keeping Children Safe in Education. If a volunteer is assessed

as requiring a DBS check as per the table shown in Appendix 6, the check must be undertaken before the new colleague or volunteer starts work.

- 15.2 In exceptional circumstances it may be possible to allow an individual to start work in regulated activities before the DBS certificate is available. In these circumstances there must be a critical business need and we must ensure that the individual is appropriately supervised and that all other checks have been completed. The Principals must ensure a risk assessment is completed and advice and guidance sought from the HR department or Safeguarding Director.
- 15.3 DBS certificates are only issued to the applicant. All applicants must produce the disclosure when requested to do so. The disclosure will be scrutinised to ensure it is authentic and to detect any fraud. The DBS disclosure number and date of the check must be recorded on the SCR. Where a positive disclosure is shown on a DBS Certificate then information held should be assessed against information provided by the applicant on the Relevant Criminal Conviction Disclosure Form (Appendix 8). A copy of the positive DBS certificate should be retained with this form on the personnel file.
- 15.4 Any applicant who refuses to produce their DBS disclosure will not be able to start work for us and the conditional offer will be withdrawn as satisfactory checks are not in place.
- 15.5 Applicants can have their DBS certificate kept up to date, via the DBS Update Service, and take it with them from role to role where the same type and level of check is required. Applicants and volunteers should be asked if they have subscribed to this service. The expectation is that individuals personally fund this. Where the applicant or volunteer has subscribed, they should provide us with the original disclosure document to be verified and the HR Department will check the online update for any changes.
- 15.6 Information relating to an individual's criminal record will only be shared with the relevant people to enable us to make an informed and reasonable decision about their suitability to work with children and young people.
- 15.7 An enhanced DBS and children's barred list check may be carried out on any colleague or unsupervised volunteer (subject to risk assessment) where we have concerns about the colleague's suitability to work with children or young people.
- 15.8 All colleagues are required to inform us of any change in their criminal record. This includes convictions, cautions, arrests, and police investigations. Action may be taken, as a result, of any change or any failure to inform us of any change.

16 Trustees and Local Academy Committee (LAC) members

- 16.1 All Trustees and LAC members (with the exception of existing teachers and support staff) must undertake a recruitment process, similar to that listed within this policy.
- 16.2 LAC Chairs and Vice Chairs are appointed by the Board of Trustees. LAC members are appointed by the LAC at each academy, this is usually via the Chair of the LAC and they will be supported by the clerk and the HR Department. It is good practice to ensure the Principal is involved within the process. The LAC Chair will ratify all appointments of all LAC Members
- 16.3. Advertising
 - 16.3.1 The Chair of the LAC will inform all parents of any Parent LAC member vacancies, in writing, as soon as possible after they arise.
 - 16.3.2 The Principal and Chair will inform all staff of any Staff LAC vacancies, as soon as possible after they arise.
 - 16.3.3 Community/non staff or parent governors will be advertised within the local community alongside placing adverts on our websites.

16.4. Application Form

16.4.1 All applicants are required to complete our LAC application form.

16.5. Selection

16.5.1 Where we have received more applications than there are vacancies (for parent and staff governors), selection will be determined by a vote. This process can be seen in Appendix 7.

16.5.2 The ballot papers will be distributed by the Clerk on behalf of the Chair of LAC and will close on the 10th academy day from the date on which they were issued. Any ballot papers received after this date will be deemed invalid and not counted.

16.5.3 All candidate must be invited to attend the ballot paper count. Any candidates unable to attend will be notified by the Chair of the results.

16.5.4 It is reasonable for all unsuccessful candidates to be thanked for their interest in writing by the Chair.

16.5.5 Before final appointment is made the successful applicant should be invited for an informal meeting with the Chair and Principal to ensure they are suitable for the role. Careful consideration should be given to the current strategic aims of the academy and the skills that the applicant will bring to complement the existing members.

16.6. Pre-Appointment Checks including DBS

16.6.1 All Trustees and LAC members must complete a DBS without Barred list check (unless they are in regulated activity when a full Enhanced DBS will be required).

16.6.2 LAC candidates are asked to nominate two people who would be happy to support their nomination. They cannot be related to the candidate.

16.6.3 All LAC Members are required to satisfactorily complete all pre-employment checks as shown in Appendix 2.

17 Agency and Other Groups

17.1 Agency and third-party colleagues

17.1.1 Supply agencies are required to carry out the same level of checks that we do. An academy must see written confirmation that all checks have been undertaken. This confirmation must be held on file and recorded on the SCR. (Please see further guidance contained in the ATT SCR Toolkit).

17.1.2 A copy of the DBS certificate must be seen and evidenced retained prior to the contract starting, this can be achieved by signing and dating the written confirmation received from the agency and clearly stating you have seen a copy of the DBS certificate.

17.1.3 In addition, the academy must also check that the person presenting themselves for work is the same person on whom the checks have been made by checking their photo identification upon arrival.

17.1.4 When using agency members of staff, academies must ensure they are complying fully with the Agency Workers Regulations 2010.

17.2 Trainee/student teacher

17.2.1 Where a trainee is on a salaried scheme, the same checks must be undertaken as per full time teaching colleagues.

17.2.2 Where trainee teachers are fee-funded it is the responsibility of the initial teachers training provider to carry out the necessary checks. We must obtain written confirmation from the training provider that these checks have been carried out and that the trainee has been judged by the provider to be suitable to work with children.

17.3 Volunteers

17.3.1 Volunteer colleagues are seen by our learners as trustworthy adults; therefore, the same standard of recruitment process applies to ensure their suitability to work with young people. However, a common-sense approach must be taken based on the role, level of contact and frequency of volunteering (e.g. one-off academy trip support versus a repeated ongoing role).

17.3.2 If the volunteer is engaged in regulated activity on a regular basis unsupervised with our young learners, an Enhanced DBS with barred list check is to be undertaken.

17.3.3 An enhanced DBS certificate (not including barred list information) must be obtained, for volunteers who are not engaged in regulated activity, but have the opportunity to come into contact with our learners on a regular basis, e.g. supervised volunteers. We are not legally permitted to request barred list information on volunteer colleagues not in regulated activity.

17.3.4 If the volunteer is not engaged in regulated activity a risk assessment must be undertaken to decide whether an Enhanced DBS (Without barred list) is required.

17.3.5 Under no circumstances should a volunteer in respect of whom no checks have been obtained be left unsupervised or allowed to work in regulated activity. Volunteer information must be recorded on the SCR.

17.3.6 All volunteers are required to complete a volunteer application form and two references must be sought – please see sections 7 and 9.

17.4 Consultants

17.4.1 Consultants must provide proof of their Enhanced DBS check and right to work in the UK. If the consultant does not have a DBS check that is portable (DBS Updates Service), a new check should be arranged.

17.4.2 If the consultant is contracted directly with our Trust (rather than through a third-party agency) a consultancy agreement must be issued, signed and retained.

17.4.3 An IR35 process will also be completed in order to determine their employment status for tax purposes.

18 Breaches of the policy

18.1 Any instances of this policy not being adhered to will be taken very serious and appropriate disciplinary action may be taken.

18.2 Any complaint in relation to this policy, including its application will be managed through our complaints policy or grievance policy (for existing colleagues).

19 Record keeping and data protection

19.1 All written records of interviews, application forms and reasons for appointment or not appointment will be kept in line with the requirements of our data protection policy and relevant legislation.

Appendix 1 - Safer Recruitment Procedure

1. Introduction

- 1.1** A clear recruitment process is the first steps towards safer recruitment. Many people applying for paid and unpaid roles within our Trust are safe and trustworthy around children and young learners. However, perpetrators of abuse may deliberately target settings that give them easy access to children. Our commitment to safeguarding and child protection must be clear and explicit at every stage of the recruitment process.

2. Safer Recruitment Training

- 2.1** It is our expectation that the following colleagues will complete Safer Recruitment in Education training: -

- Principal
- All members of the Senior Leadership Team
- Designated Safeguarding Leads and Deputy Designated Safeguarding Leads
- HR colleagues
- At least one member of the LAC

3. Person Specification

- 3.1** Must always include

- Skills and level of experience
- Abilities, behaviours, attitudes and values
- Qualifications

- 3.2** The following 2 statements must also be listed

- Commitment to the safeguarding and welfare of all pupils
- This post is subject to an enhanced Disclosure and Barring Service (DBS) disclosure.

4. Advertisements

- 4.1** All advertisements will have the following statement about safeguarding children and young people and the requirement to have a DBS check: -

Academy Transformation Trust is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment. All offers of employment are subject to an Enhanced DBS check, and where applicable, a prohibition from teaching check will be completed for all applicants.

5. Relevant Criminal Conviction Disclosure Form and Annual Self-Disclosure Form

5.1 The Relevant Criminal Conviction Disclosure Form will be given to all shortlisted candidate to complete prior to interview. The reasons for asking for this form to be completed are: -

- It ensures applicants are aware that you are entitled to this information and gives them the opportunity to flag up information correctly and with sufficient time to gain advice on what convictions should be shared with us.
- Is it part of the process of deterring unsuitable candidates and shows that you take safer recruitment seriously.

5.2 All colleagues are required to complete a “self-declaration form” annually to ensure their continued suitability. This declaration does not remove the duty placed upon our colleagues by law to disclose immediately to the Principal or Senior Leader anything that could affect their continued suitability to work with children or any dealings with the police, including but not limited to cautions, reprimand’s, warning, arrest, conviction and imprisonment.

6. Application Form

- Our application form must be used at all times
 - CV will not be accepted
- All gaps in employment history will be explored and an explanation sought and recorded

7. Reference Request Form

- Our reference request form must be used at all times
- All referees will be asked the following two questions relating to the candidate: -

Appendix 7 – Guidance on the election of Staff/Parents to the LAC

It is essential for effective governance that LAC vacancies are filled as quickly as possible.

Each LAC should be represented by one member of staff only. It is also a legal requirement to have two parents on any academy LAC.

This document provides additional guidelines for the appointment process of Parents/Staff onto a LAC.

Who can stand to be a Staff member of the LAC?

Both teaching and non-teaching staff employed by the academy are eligible to stand as and vote for Staff Governors.

Who can stand to join the LAC (Parent)?

Applicants must be a Parent, guardian or sole carer of a child/children attending the academy.

Applicants are not eligible to join the LAC if they work at the academy at the time of application.

In addition, applicants must be able to satisfy the restrictions as laid out in Section 6 (Declaration) of the LAC application form.

Applying

The Chair should inform all staff, in writing, of an impending election as soon as possible after the vacancy arises.

Parents can be informed of a vacancy on a LAC via a variety of methods. This information may come from the Principal, the chair or indeed the clerk of the LAC.

However, alongside the various avenues to engage parents, the chair must also inform all parents of any vacancies, in writing, as soon as possible after they arise and will include the closing date and time.

There are three stages of the application process:

1. Written application:

- Applicants should submit the written application form.
- The closing date for the written application should be 4pm on the 10th academy day following the written notification of a vacancy.

2. Vote (where applicable)

- If there are more applicants than there are positions, there will be a vote.
- Ballot papers and instructions on how to vote must be issued to all staff/parents/guardians as soon as possible after the closing date for the receipt of applications.

We would recommend that:

- Two envelopes be sent with each ballot paper;
 - The parent/guardian seals the ballot paper in an unmarked envelope;
 - The unmarked envelope is sealed in an outer envelope on which the parent has clearly written their name;
 - The double envelope is returned to the academy;
 - On receipt of the ballot paper, the clerk checks the name on the outer envelope against the list of parents and ticks their name off;
 - The outer envelope is removed and the inner envelope is placed in the ballot box for counting at the appointed time.
- The closing date for the return of ballot papers should be close of play on the 10th academy day from the date on which they were issued. Any ballot papers received by the academy after this date are to be treated as invalid.
 - Candidates should be invited to attend the count.
 - The chair should notify the result of the election to any candidate not present at the count as soon as possible.
 - Ballot papers should be stored securely for six months, should the result of the election be challenged. The number of ballot papers issued and the number returned should also be noted.
 - Unsuccessful candidates should be thanked by the Chair (in writing) for their interest.

3. Informal meeting:

- Before final appointment, applicants will be invited for an informal meeting with the Chair and the Vice Chair to ensure that they are suitable for the role.
- Applicants will be considered based on the Academy's current strategic aims and the skills that applicants can bring to the LAC along with the skills that already exist through other governors.

4. Appointment

Once an appointment has been informally approved by the chair, the appointment only becomes official once ratified by the LAC at the next meeting. For parent applications their details will be sent from the Clerk to Regional HR, who will organise the DBS check and references. The appointment becomes official once all these avenues are satisfied and the appointment is officially ratified by the LAC Chair at the next meeting.

The amendments to the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (2013 and 2020) provides that when applying for certain jobs and activities, certain convictions and cautions are considered 'protected'.

This means that they do not need to be disclosed to employers, and if they are disclosed, employers cannot take them into account.

Guidance about whether a conviction or caution should be disclosed can be found on the Ministry of Justice website:

<https://www.gov.uk/government/publications/new-guidance-on-the-rehabilitation-of-offenders-act-1974>

We recognise the contribution that people with criminal records can make as employees and volunteers within our Trust. A person's criminal record will not, in itself, debar that person from being appointed to a role. Any information given will be treated in the strictest confidence. Suitable candidates will not be refused posts because of offences which are not relevant to, and do not place them at or make them a risk in, the role for which they are applying.

All cases will be examined on an individual basis and will take the following into consideration:

- Your age at the time of the relevant offence(s).
- The length of time since the relevant offence(s) occurred.

Appendix 9 – Policy Statement on the Recruitment of Ex-Offenders

Below is our Policy Statement on the recruitment of ex-offenders:

- As an organisation assessing applicants' suitability for positions which are included in the Rehabilitation of Offenders Act 1974 (Exceptions) Order using criminal record checks processed through the Disclosure and Barring Service (DBS), we comply fully with the DBS [code of practice](#) and undertake to treat all applicants for positions fairly
- We undertake not to discriminate unfairly against any subject of a criminal record check on the basis of a conviction or other information revealed
- We can only ask an individual to provide details of convictions and cautions that we are legally entitled to know about. Where a DBS certificate at either standard or enhanced level can legally be requested (where the position is one that is included in the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 as amended, and where appropriate Police Act Regulations as amended)
- We can only ask an individual about convictions and cautions that are not protected
- We are committed to the fair treatment of our staff, potential staff or users of its services, on all protected grounds and in relation to all history of offending
- This written policy on the recruitment of ex-offenders is made available to all applicants at the start of the recruitment process
- We actively promote equality of opportunity for all with the right mix of talent, skills and potential and welcome applications from a wide range of candidates, including those with criminal records
- We select all candidates for interview based on their skills, qualifications and experience
- An application for a criminal record check is only submitted to DBS after thorough assessment has indicated that one is both proportionate and relevant to the position concerned. For those positions where a criminal record check is identified as necessary, all application forms, job adverts and recruitment briefs will contain a statement that an application for a DBS certificate will be submitted in the event of the individual being offered the position
- We ensure that all those in our Trust who are involved in the recruitment process have been suitably trained to identify and assess the relevance and circumstances of offences
- We also ensure that we have received appropriate guidance and training in the relevant legislation relating to the employment of ex-offenders, e.g. the Rehabilitation of Offenders Act 1974
- At interview, or in a separate discussion, we ensure that an open and measured discussion takes place on the subject of any offences or other matter that might be relevant to the position. Failure to reveal information that is directly relevant to the position sought could lead to withdrawal of an offer of employment
- We make every subject of a criminal record check submitted to DBS aware of the existence of the DBS [code of practice](#) and makes a copy available on request
- We undertake to discuss any matter revealed on a DBS certificate with the individual seeking the position before withdrawing a conditional offer of employment.

Having a criminal record will not necessarily bar you from working at the school. This will depend on the nature of the position and the circumstances and background of your offences.
