Dear Parent/Carer

**Re: Extra Curricular Activities, Photos and Contact Details**

I am delighted to inform you that we can restart extra-curricular fixtures against other schools and intend to run a comprehensive programme throughout the year. In accordance with Health and Safety regulations, it is necessary for us to obtain parent/carer consent for your child to participate in any extra-curricular activities which are off site. These often take place after school and arrangements will need to be made for your child to have safe transportation home/walk home. For our local fixtures we only require you to fill out one consent form for the academic year (please find attached). This will cover your child to play in local tournaments and leagues. Please return this to a member of the PE staff. The department also has a twitter/Instagram account where you can follow us and get regular updates on up and coming fixtures/ clubs: @TNHA\_PE and tnha\_PE

The member of staff running the activity will have a dedicated mobile phone which will enable you to contact us in the case of a genuine emergency. Mobile Number – 07748 622759

Please note we will advertise any given approximate pick up times for each event. Due to the nature of sports fixtures these may alter on the day. It is your child's responsibility to contact home if the expected pick up time changes. If your child hasn't access to a mobile phone they can use the PE mobile by asking a member of staff. The PE department would like to take photos of the students participating in sport. This is to enable us to display the children's hard work on the PE notice board and to raise the profile of sport in the school. The notice board can only be accessed by Teachers.

I would also like to mention the academy rules apply during extra-curricular activities and high standards of behaviour and sportsmanship are required at all times.

Yours faithfully

**Mr M. Lloyd**  
**Director of Sport**
