26 November 2021

Dear Parent/Carer

Curriculum Day – 30 November 2021

On 30 November 2021 we will hold the first of our Curriculum Days for the year. These are days where students will not be following their normal timetabled lessons, but will instead have sessions based around PSHE and Careers topics, appropriate to the Year Group your child is in. These days are run to complement the tutor time and LOOL lessons students experience and prepare them for life in modern Britain.

At the Nicholas Hamond Academy we believe it is crucial to deliver a broad and balanced curriculum that enables our students to develop in many diverse aspects of life and to build confidence and resilience. This will in turn allow them to be prepared for their adult lives and to engage with society.

The timings of the day will be as normal and students are still expected to attend the academy in full uniform. Please could Year 7 students bring trainers only on the day – they will not require PE kit. Break and lunch times are not affected.

We attach a list of topics each year group will be covering on the day, along with the aim for each session. The students will be divided into groups within their Year and will move around the different sessions throughout the day. In all the PSHE/RSE sessions that contain more difficult content, there will be flagged sources and avenues of support.

If there are any concerns or questions before the day, or indeed following it, then please do not hesitate to contact either myself, your child's Key Stage Leader or Student Support Leader. Likewise, if you feel you would like more information about any of the sessions, we would be happy to answer any questions. My contact email is: Kate.Warnes@tnha.org.uk.

Yours faithfully

Mrs Kate Warnes
Director of Pastoral Care

Determined to be...

'the best that we can be'
