

# SWAFFHAM DISTRICT SCHOOLS UKRAINE CRISIS APPEAL

We are partnering together to collect items that have been requested from aid agencies supporting children and families affected by the crisis in Ukraine.

Through this local network, your donations will be taken to Ukraine by the local transport firm Waites and Stone Ltd. They have an official collection point at Sacred Heart Catholic Primary School in Swaffham.

## HOW DO I DONATE?

**Please bring your donations in bags to Main Reception at the academy. These will then be taken to the designated point in Swaffham at regular intervals.**

**Alternatively, you can take your donations straight to Waites & Stone Ltd, Cherry Tree Farm, Brandon Road, Swaffham, PE37 8HN.**

## WHAT CAN BE DONATED?

You can donate as much or as little as you like, either regularly or a one-off.

There will be regular updates and information about the Waites & Stones Ltd designated collection via:
