

Post 16 Transition & Next Steps Event

Dear Parent / Carer,

We are pleased to announce that the New Anglia Careers Hub has organised a series of post-16 transition events for students in years 11/12/13 and we would like to invite you to join us with your young individual. These events will support students making decisions about their next steps after GCSEs by offering them the opportunity to meet with local post-16 training providers and employers to discuss their future and find out about the range of options available to them.

Each event will have exhibitors from a range of different companies as well as colleges, 6th Forms and other training providers.

We are organising these free events at 4 different locations across Norfolk to give you the best chance of being able to attend at least one events. Please see the table below for information on the locations along with the booking links.
