2nd October 2023

Dear Parents/Carers

Geography Fieldtrip – Thursday 9th November 2023

Fieldwork is an essential part of the Geography GCSE course, and students must complete two pieces: one for a physical landscape and one for a human study.

We are planning to take the students out for the day to Norwich on Thursday 9th November 2023 to study the changes taking place and the effect this has on the surrounding area. Students will leave the academy at 9am and return in time for school transport home.

Please ensure that students are prepared for the day whatever the weather conditions may be - a coat and suitable warm clothing will be required (rather than school uniform) as it is likely to be cold. They should bring a packed lunch for the day. If your child is entitled to free school meals and would like a packed lunch from the canteen, please indicate this on the attached consent form. A camera will be useful as they will need to be able to use photos and analyse them in their fieldwork. There may be an occasion where your child will be working in smaller groups and will not be with an adult.

Please could you complete the attached consent form and return it to me as soon as possible.

Yours faithfully

A handwritten signature in black ink, appearing to read 'Mrs Smith'.

Mrs Smith
Head of Humanities
