Dear Parent/Carer

### **Geography Field Work**

As part of the year 7 programme of study in Geography your child is currently working on a topic entitled 'How Green is Swaffham?' This unit encourages students to think carefully about their environment around them and helps them to develop basic fieldwork geographical skills.

We would like to take students on a short route around Swaffham where they will be able to practice these skills in small groups. The trip will take place during a timetabled Geography lesson; your child will be notified of the date and asked to write it down during class. Impeccable behaviour will be essential to ensure safety around the town and if this is not the case students may find they are not included in future Geography trips.

You are not required to make any financial contribution but your permission is required in order that students may leave the school site. Please complete the permission and medical form attached and return it to your child's Geography teacher as soon as possible.

If you have any further questions about the arrangements for this trip, please do not hesitate to contact me by telephone or email: [sarah.thomson@attrust.org.uk](mailto:sarah.thomson@attrust.org.uk).

Kind regards.

Yours faithfully

**Ms. S. Thomson**  
**Teacher of Geography/Travel& Tourism**
