SCHOOL LEAVERS 2024

Although you have to stay in education or training until you are 18,

You do not have to stay in school.

Getting the right qualifications could make all the difference and will have a big influence on how successful you are in your future career.

Which Route is right for me?

We offer 4 main routes

Vocational Courses - offer industry-recognised qualifications in your Chosen career meaning you can either go straight into work after you finish, or progress to further study at university.

Apprenticeships – give you the opportunity to continue learning whilst you are employed and learning.

A-Levels – allow you to study a range of subjects and Keep your options open. They are one of the main routes to university alongside vocational courses.

T-Levels- allow you to specialise in a subject through classroom study and industry placement, allowing you to continue into higher education or start your career.
