September 2023

Dear Parent/Carer

GEOGRAPHY INTERVENTION SESSIONS

During the summer term, students completed their mock exams which in geography involved questions on units 4-9. The Humanities team have been analysing the resulting data and have identified some areas for improvement relating to your child’s content knowledge and exam skills in geography. We would therefore like to invite your child to a 5-week programme of study to ensure that they have a better understanding of the content and skills to complete their exams. These will be held on the dates listed below in Room 13 beginning on Thursday 2nd November 2023.

Date:	Unit:	Exam skill:
Thursday 2 nd November	Unit 4	Explain..... (4 Marks), Description of data/graphs(3 and 4 mark)
Thursday 9 th November	Unit 4	Assess/evaluate.....(8/12mark)
Thursday 16 th November	Unit 5	Explain..... (4 Marks), Description of data/graphs(3 and 4 mark)
Thursday 30 th November	Unit 5	Assess/evaluate.....(8/12mark)
Thursday 14 th December	All	Reward night/Revision

We would like to take this opportunity to extol to you the benefits of this type of bespoke sessions as there is a proven correlation between quality of revision and higher attainment at GCSE. We hope that you will encourage your child to attend these personalised intervention sessions after school in order to prepare for the next set of mock exams in November and their upcoming GCSE examinations in 2024. If there is any reason why your child is unable to attend, please feel free to email one of the geography team.

Yours faithfully

The Geography Team
