Dear Parent/Carer

### **Visitor to the Academy – Maximise**

On Wednesday 4<sup>th</sup> October we have invited Maximise into the academy for our Year 11 students.

Maximise are a company that specialise in helping students prepare for exams but showing students high-impact study skills. Their aim is to increase motivation, provide effective revision strategies and stress management and explore better study practice, alongside building resilience and raising attainment.

Students will be divided into two groups and each group will spend two hours with the speaker.

If you wish to find out more about the company, please use the link below. There is also a 60-minute webinar for parents/carers to learn about the skills their children need to succeed and how you can help them achieve this:
