Dear Parent/Carer

### Trip to IWM Duxford – 12<sup>th</sup> June 2024 – Year 9 History Students

The Nicholas Hamond History Department is delighted to inform you that we are in the process of planning an exciting educational visit to **IWM Duxford** on the **12<sup>th</sup> June 2024** for all **Year 9** History students. This is a wonderful opportunity for students to visit a site of significant historic importance and also to see the impressive aircraft (and other militaria) involved in several historical events studied in their KS3 History curriculum.

The cost of this trip is numbers dependent and, as such, any costings provided at this point are approximations. It will likely cost in the region of **£15 per student** which will cover entry into IWM Duxford and coach transport. Students will need to **bring their own lunch/food** for the day as we will, weather depending, eat together outside. If the weather is inclement, we will eat in the on-site lunchroom but students can still eat their own food there. It is also recommended that students bring a small amount of money too, as there is an on-site gift shop where they may wish to purchase a small memento of their visit. **Please note, however, IWM Duxford is primarily a cashless site, so students will need to have any money they wish to spend in the gift shop on a bank card or smartphone as there's no guarantee they will accept cash as payment on-site.**

Should you wish for your child to participate in this opportunity, the History Department would greatly appreciate it if you could complete the form below and return it to me no later than **1<sup>st</sup> December 2024**. Following this the History Department will correlate the numbers and obtain more accurate costings for the group's size. The final cost will then be communicated to parents/carers that have expressed an interest and an option will be opened, via **School Money**, to pay for the trip along with a deadline for payment.

It would be really lovely to make this trip happen as it will help your child to better understand their history and provide them with a valuable insight into key elements of their KS3 History curriculum. **That being said, please do not express your interest in this trip if you do not fully intend to continue as it could result in the trip being cancelled if sufficient numbers aren't forthcoming.**

Should you have any questions, please do not hesitate to email me at: **breen.murphy@attrust.org.uk**

Kindest regards.

**Dr. B. Murphy**  
Assistant Director of Humanities
