2nd November 2023

Dear Parent/Carer

**Visit to Westfields Care Home
Tuesday 14th November 2023**

As part of Swaffham's 'Under the Eye of the Buttercross', we wish to take some students to Westfields Care Home to discuss with the residents their memories of the Queen's coronation or Jubilees. Photos will be taken and they will be asked to write a short report on their visit and what they learnt about the memories of the residents at this time.

The date of this visit will be Tuesday 14th November. The students will walk there as it is a very distance, unless the weather is inclement, where they will take a minibus. They will leave the academy at 11.30 am following break and will return before lunch at 1.30 pm. They will be able to have tea or coffee and cakes with the residents, whilst they chat with them. Mrs Wells will be accompanying them. Please contact me should you have any concerns around known food allergies.

As it is a local visit, we do not require you to complete any documentation, but if you have any concerns or questions, please do contact me at kate.warnes@attrust.org.uk

Kind regards.

KWarnes

**Mrs K. Warnes
Director of PSHEE & CEIAG**
