May 2024

Dear Parent/Carer

**Accompanied Walk around Swaffham – 13th June 2024
Duke of Edinburgh Training**

As part of your child's Duke of Edinburgh award training, we will be hosting an accompanied walk around the Swaffham area on Thursday 13th June.

Students will be required to follow a set route showing their navigation and teamwork skills as well as knowing how to walk effectively as a group in the countryside implementing the countryside code and safety while on expedition.

The students will leave school at approximately 13:40 (during lunch time) and return to school for 16:00 in time for the late bus/usual end of DofE training. ***If students wish to use the 'late bus' they must sign up for this on the day at Student Reception before the end of lunch.***

I attached the parental consent form which should be completed and returned it to myself or Mr Bacon no later than **24th May.**

Please encourage your child to be uploading their section evidence of 1 hour per week per section onto their eDofE account.

If you have any questions or queries about the upcoming expedition, please do not hesitate to get in touch via email at Rachel.Wells@attrust.org.uk

Kind regards.

Rachel Wells
