Dear Parents/Carers

Educational Visit to Colchester Zoo 6th June 2024

We have the opportunity to take our Year 10 Business and Travel & Tourism students to investigate how Colchester Zoo operates as a business and tourist attraction on Thursday 6th June 2024. We will leave the academy at 9am and return at 5pm (therefore parents and carers will need to make arrangements to collect students upon our return or give permission for their child to walk home (please indicate this on the consent form). The trip is a reward for the recent hard work students have completed on Component One of their coursework and as preparation for Component Two commencing in September

Students will be expected to wear non-school uniform on the day however a waterproof coat is advised in case of inclement weather. Students should bring a packed lunch unless they are entitled to free school meals in which case one can be provided for them should you wish. There will be an opportunity for students to visit the shop/snack bar and they may bring along some funds for this should they wish.

As part of the visit, students will receive a one-hour workshop about the zoo as a business and tourist attraction at the Zoo's Education Centre.

To secure a place, please complete and return the attached consent form. The cost of the trip is £26 (this will be subsidised for students entitled to pupil premium at £20) payable by SchoolMoney and should be made by **Wednesday 22nd May 2024**, this will cover the cost of transport, entrance fees and a presentation by the zoo's educational team which will address specific issues related to the Business & Travel and Tourism coursework tasks

We look forward to an enjoyable and educational day out.

Yours faithfully

Dan Morton-Smith
Director of Vocational Studies
