Dear Parent/Carer

**Year 11 Academic Evening.**

**Wednesday 2<sup>nd</sup> October 2024 (5.30pm to 7pm)**

Although it seems as if we have only just returned to school, teachers and students are already preparing for the GCSE examinations. In order to support our Year 11 students through the exam period, we would like to invite you into school for a short information evening on the examinations system and key activities for Year 11 students coming up over the next two terms. As well as a general information session, we will be running several sessions on the following:

- Core subjects - Maths, English and Science Examinations
- Post 16 options after TNHA/Careers
- Access Exam Arrangements
- Exam Stress & Mental Health

There will also be information regarding revision guides for the three core subjects your children are taking. Members of the Pastoral Team and Senior Leadership Team will be present should you have any additional questions or concerns. The evening will start at 5.30pm and the main section should finish by 7pm. Refreshments will be available. We hope to see many of you there and would encourage you to bring along your son/daughter too. Please could you fill out the online form by scanning the QR code or following the link below to let us know if you will be attending or not.
