Dear Parent/Carer

Meet the SEND team and Susan Wood from Family Support Coffee Morning

I'm writing to you to invite you to a coffee morning we are hosting on Monday 18th November at 9:15am in the academy's dining hall. This is a chance for you to have a small presentation on the support that is on offer within the community for parents and young people with neurodiversity and/ or on the pathway to a diagnosis. Following on from this there will be a chance for questions and answers and then for you to meet Mrs Smith (SENDCo) and myself.

This is a great opportunity to discover support you may not know about, network with others that may have similar worries along with some free refreshments.

Please could I ask that you fill in the below form so that we know how many to cater for.
