Punctuality to school

At The Nicholas Hamond Academy we place great importance on good attendance and punctuality. We know that a child's attendance has a direct impact on their learning. Children who are regularly late and absent from school do not achieve their full potential and can fall behind in class. Please support us by ensuring that your child attends school regularly and arrives on time by 8:40am.

In a year there are 190 teaching days, if a child misses 19 days or more, then they will fall into this bracket. Children who are persistently absent will be very closely monitored to ensure that their attendance improves,
