Dear Parents/Carers

**Re: Physical Activity Strategy – Laser Tag Play2day
Friday 4th July 2025**

As previously communicated; the aim of our Whole School Physical Activity Strategy is to encourage students to be more physically active, more often. As part of this, your child is participating in a trip called 'Laser Tag'. This takes place at an indoor centre in Guyhirn, Wisbech on Friday 4th July. Students are to meet at the Drama Room at 8.45am. Students will return from the trip at 2.30pm and take part in an activity on site until the end of the day, in time for the school buses.

The aim of this trip is for students to experience being physically active in a challenging but fun environment.

Students should wear practical clothes for running around and suitable trainers. They should also bring adequate food and drink for lunch and throughout the day. Snacks and drinks are available from the centre if students wish to bring some spending money.

If you have any questions, please contact me on lan.Hogarth@attrust.org.uk

Kind regards.
