Dear Parent/Carer

**Re: Year 6 Transition Days - Monday 7th July & Tuesday 8th July (8:30am to 3pm)
Uniform Event – Wednesday 6th August (11am to 2pm)**

We are excited to welcome your child to sample life at TNHA before the summer holidays. On these days students will get taster lessons in a wide range of subjects and learn about academy life to set them up for starting in September. Please also note the numbers on some of the Eagles buses are extremely tight therefore if you are able to bring your child in by car on these days this will ensure there is space for all. Regrettably if your child would get any other form of transport to the academy i.e. minibus from other areas, then Norfolk County Council will not allow you to travel for our transition days. If you have already secured a place on one of our academy minibuses for September and wish your child to travel on these days please contact us via email at tnh-office@attrust.org.uk to see if we have availability.

As we expect many students will be waiting for the uniform event before purchasing uniform, for these days we ask students to wear either their current school uniform, or a plain white polo shirt. Should children wish to wear their TNHA uniform they are welcome to. Students will also need a pencil case, a pair of trainers in their bags for P.E and we recommend they bring refreshments and snacks for the days given the expected hot weather.

Lunch will be provided free of charge for any student wishing to have hot food, students who do not wish to do this will need to bring a packed lunch. Students will finish each day at 3pm and can be collected from the front gate or taken to the bus waiting area.

Uniform Event- Wednesday 6th August (11am-2pm): During this event our uniform suppliers will be on site and you will be able to purchase any outstanding uniform or exchange any uniform in which when ordered was the incorrect size. For exchanges you will need to bring proof of purchase and original items. No appointment is necessary.

Kind regards.

Yours faithfully

Mr. S. Bristow
Head of Year 6 Transition & Year 7
