Dear Parent/Carer

### Child Development Course Revision Guide

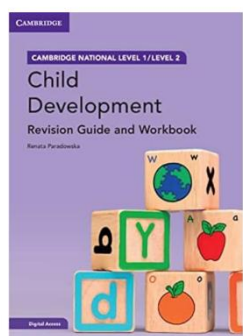

As part of their Child Development course, students have to undergo an exam for one of the units. I have sourced an excellent revision guide that covers the content of this unit. It is constructed in such a way that makes the content very easy to understand, has exam questions, top tips of common mistakes in the exams, model answers and a system by which the students can tick the content they are secure on, to enable them to organise their revision more effectively.

The cost of the revision guide is £11.00 If you wish to purchase one, please do so on School Money. The academy will buy revision guides for those entitled to free school meals.

The closing date for buying a revision guide is Thursday 2<sup>nd</sup> October. After this time the revision guides will be purchased by the academy and I will deliver them to students on their arrival.

If you have any questions or queries, please do not hesitate to contact me at: [Kate.Warnes@attrust.org.uk](mailto:Kate.Warnes@attrust.org.uk)
