

Paper 1: Learn	Paper 1: Quiz	Paper 1: Practice
<p>Use any of the links below to complete a learn task.</p> <p>Unit 1: Hazardous Earth https://www.bbc.co.uk/bitesize/guides/ztprqty/revision/1 Create an annotated diagram showing the layers of the earth Create a flashcard to show the theory of plate tectonics</p> <p>https://www.bbc.co.uk/bitesize/guides/ztprqty/revision/3 Create a set of flashcards/annotated diagrams showing the different plate boundaries</p> <p>https://www.bbc.co.uk/bitesize/guides/zw7s4j6/revision/4 https://www.bbc.co.uk/bitesize/guides/zw7s4j6/revision/5 Use the following links to create spider diagrams about the responses and impacts of earthquakes in a developing and developed country</p> <p>https://www.bbc.co.uk/bitesize/guides/zw7s4j6/revision/6 Create a table of how to protect/predict and prepare for earthquakes</p> <p>https://www.bbc.co.uk/bitesize/guides/zw7s4j6/revision/7 Create a flow diagram showing how Tsunamis are created</p> <p>https://www.bbc.co.uk/bitesize/guides/zpf9mnb/revision/4 https://www.bbc.co.uk/bitesize/guides/zpf9mnb/revision/2 Create annotated diagrams to show the distinctive features of different volcano types</p> <p>https://www.bbc.co.uk/bitesize/guides/zpf9mnb/revision/6 Create a spider diagram of the benefits of living near a volcano</p> <p>https://www.bbc.co.uk/bitesize/guides/zpf9mnb/revision/7 https://www.bbc.co.uk/bitesize/guides/zpf9mnb/revision/8 Use the following links to create spider diagrams about the responses and impacts of volcanoes in a developing and developed country</p> <p>https://www.bbc.co.uk/bitesize/guides/z9whg82/revision/2 Create an annotated diagram of how Tropical Cyclones form</p> <p>https://www.bbc.co.uk/bitesize/guides/z9whg82/revision/4 https://www.bbc.co.uk/bitesize/guides/z9whg82/revision/5 Use the following links to create spider diagrams about the responses and impacts of tropical storms in a developing and developed country</p> <p>https://www.bbc.co.uk/bitesize/guides/zpykxsg/revision/1 Create a set of flashcards on the different cells</p> <p>https://www.bbc.co.uk/bitesize/guides/zpykxsg/revision/3 https://www.bbc.co.uk/bitesize/guides/zpykxsg/revision/4 Create a spider diagram showing the factors that impact the UK’s climate</p> <p>https://www.bbc.co.uk/bitesize/guides/z87s4j6/revision/2 Create a set of flashcards showing the evidence of global warming</p> <p>https://www.bbc.co.uk/bitesize/guides/z87s4j6/revision/3 Create a table of causes of climate change split into human and natural factors</p>	<p>Tectonics https://www.bbc.co.uk/bitesize/guides/ztprqty/test</p> <p>Earthquake https://www.bbc.co.uk/bitesize/guides/zw7s4j6/test</p> <p>Volcanoes https://www.bbc.co.uk/bitesize/guides/zpf9mnb/test</p> <p>Tropical Cyclones https://www.bbc.co.uk/bitesize/guides/z9whg82/test</p> <p>Atmosphere and Climate https://www.bbc.co.uk/bitesize/guides/zpykxsg/test</p> <p>Climate Change: https://www.bbc.co.uk/bitesize/guides/z87s4j6/test</p>	<p>8 marks</p> <ol style="list-style-type: none">1. Assess the causes of past and current climate change (8 marks)2. Assess the effects of rapid population growth on a chosen megacity. (8 marks)3. Assess the extent to which economic development has changed its international role (8 marks)4. Assess the importance of the primary and secondary impacts of earthquakes (8 marks)5. Assess the importance of the primary and secondary impacts of earthquakes (8 marks)6. Tectonic Hazards impact developed and developing countries. Evaluate the view that developed countries are better prepared for the impacts of tectonic hazards (8 marks)7. Assess the reasons why some countries are more vulnerable than others to the impacts of cyclones (8 marks)8. Global climate is now changing as a result of human activity. Evaluate the view that it is difficult to predict the consequences of global climate change. (8 marks)9. You have studied how an emerging country is managing to develop. Assess the reasons why there are differences in the level of development within this country. (8 marks)10. Mumbai is the recipient of top-down and bottom-up development. Evaluate the view that top-down strategies are more beneficial for the people in Mumbai (8 marks) <p>Other Questions</p> <ol style="list-style-type: none">1. State two human activities which cause the enhanced greenhouse effect (2 marks)2. For a named country, suggest two possible impact of higher global temperatures (2 marks)3. Describe one way in which a region affected by volcanic eruptions can prepare for this hazard. (2 marks)4. Describe one way in which a region affected by earthquake eruptions can prepare for this hazard. (2 marks)5. Identify two natural causes that might lead to a change in global temperature. (2 marks)

<p>Unit 2: Development https://www.bbc.co.uk/bitesize/guides/zq8gj6f/revision/2 Create flashcards with the meaning of each development indicator</p> <p>https://www.bbc.co.uk/bitesize/guides/zq8gj6f/revision/4 Create a spider diagram of factors which influence global development</p> <p>https://www.bbc.co.uk/bitesize/guides/zq8gj6f/revision/6 Create a spider diagram of how you can reduce uneven development</p> <p>https://www.bbc.co.uk/bitesize/guides/zc72frd/revision/1 https://www.bbc.co.uk/bitesize/guides/zc72frd/revision/3 https://www.bbc.co.uk/bitesize/guides/zc72frd/revision/5 Create a fact file of India including the industrial structure and their political and trading relationships</p> <p>https://www.bbc.co.uk/bitesize/guides/zc72frd/revision/2 Create a spider diagram of causes of uneven development in India</p> <p>https://www.bbc.co.uk/bitesize/guides/zc72frd/revision/4 Create a table showing the advantages and disadvantages of TNC's in India</p> <p>https://www.bbc.co.uk/bitesize/guides/zc72frd/revision/6 Bullet point the reasons for the change in India's population structure</p> <p>https://www.bbc.co.uk/bitesize/guides/zc72frd/revision/8 Create a spider diagram showing advantages and disadvantages of rapid urbanisation on an emerging country</p> <p>Unit 3 Mumbai Case study https://www.internetgeography.net/topics/mumbai-case-study/ Use the above links to create a series of revision resources such as: Spider diagrams Tables Factfiles</p> <p>To ensure you know the following information about Mumbai Location and importance Reasons for growth Challenges caused by growth Social and economic growth opportunities Ways to improve life in Mumbai</p> <p>https://studyrocket.co.uk/revision/gcse-geography-b-edexcel/an-urbanising-world/bottom-up-development-in-mumbai Create a fact file of bottom-up development in Mumbai including what was done and the advantages and disadvantages</p> <p>https://studyrocket.co.uk/revision/gcse-geography-b-edexcel/an-urbanising-world/top-down-development-in-mumbai Create a fact file of top-down development in Mumbai- including what was done and the advantages and disadvantages</p>		<p>6. Explain two reasons why the number of hurricanes varies during the year (4 marks)</p> <p>7. Explain two ways globalisation has affected its trade (imports and exports) (4 marks)</p> <p>8. Explain two reasons for the rapid growth of cities in many developing and emerging countries.(4 marks)</p> <p>9. Explain two reasons why the population of some cities falls over time (4 marks)</p> <p>10. For a named megacity in either an emerging or developing country, explain two ways its location has influenced its growth.(4 marks)</p>
