Dear Parent/Carer

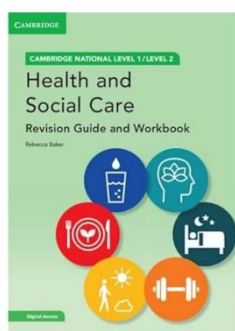

Health & Social Care Course – Revision Guide

As part of their Health and Social Care course, students have to undergo an exam for one of the units. I have sourced an excellent revision guide that covers the content of this unit. It is constructed in such a way that makes the content very easy to understand, has exam questions, top tips of common mistakes in the exams, model answers and a system by which the students can tick the content they are secure on, to enable them to organise their revision more effectively.

The cost of the revision guide is £11.00. If you wish to purchase one, please do so on School Money. The academy will buy revision guides for those entitled to free school meals. The closing date for buying a revision guide is Thursday 2nd October. After this time the revision guides will be purchased by the academy and I will deliver them to students on their arrival.

If you have any questions or queries, please do not hesitate to contact me at: Kate.Warnes@attrust.org.uk

Should you wish to purchase the revision guide yourself it looks like the image below with the following details:-

ISBN-10

009159313

ISBN-13

978-1009159319

Edition

#

New

Publisher

Cambridge
University Press

Publication date

28 July 2022

Kind regards.
