6th February 2026

Dear Parent/Carer

RE: Year 7 Dance Festival – Tuesday 10th February 2026

To enhance our Dance offer for our students, we have 3 Dance companies visiting the Academy Tuesday 10th February 2026. They specialise in different forms of Dance such as Hip Hop, Street and Cheer Leading. On the day all students will attend a two-hour dance workshop where they will experience 3 different styles of dance. To maximise the students time in the workshops students, need to arrive at school in their PE Kit and spend the day in this kit. At the start of the allocated period below; students within the following tutor groups will need to meet the PE staff at the sportshall. Students will also attend tutor time as normal. During the other periods students will attend their normal timetabled lessons.

	PE - Sportshall
Period 1	Boys (Girls in normal lessons)
Period 2	Boys (Girls in normal lessons)
Period 3	Girls (Boys in normal lessons)
Period 4	Girls (Boys in normal lessons)
Period 5	Extra 'Inspire' session – for those interested in entering the dance competition

We also have an exciting opportunity for students to sign up to an extra 'Inspire Workshop' during period 5. This is for students who wish to enter our Dance Competition, with this year's theme being 'Legends, Divas and Superstars'. Students need to sign up using the QR code on the right which is also on the posters in school, or see me for further information. All the dance companies have clubs set up locally in Norfolk so we hope some students will be inspired and perhaps engage in more dance in the future.

Kind regards.

G. Teany
