1st June 2026

Dear Parent/Carer

**'Bringing Scientists to You'
Thetford Academy – 23rd June 2026**

We are pleased to inform you that your child has the opportunity to attend the **'Bringing Scientists to You'** event at Thetford Academy on **Tuesday 23rd June 2026**.

This exciting event is a series of inspirational, action-packed and interactive activities designed to fire students' scientific imaginations. Bringing together schools from across the region, students will be able to take part in workshops, meet and chat with scientists, and explore exciting career pathways within STEMM subjects (Science, Technology, Engineering, Mathematics and Medicine).

Travel Arrangements: Students should arrive at school by **8:10am** ready for registration and departure. We will leave school by coach at **8:30am** and expect to return to school at approximately **2:30pm**. Students should wear full school uniform and bring:

- A packed lunch and drink (should your child be eligible for a free school meal and require a lunch to be provided by the academy please indicate this on the Consent Form attached).
- A waterproof coat if necessary.

We believe this will be a valuable and inspiring experience for all students attending.

If you have any questions, please do not hesitate to contact me via email: aimee.brown@attrust.org.uk

Yours faithfully

Mrs Brown
Director of Science
