9th June 2026

Dear Parents and Carers

Subject: Consultation on the School's 2026 Relationships and Sex Education (RSE) Policy

As part of our commitment to providing a high-quality, inclusive and age-appropriate curriculum, we are currently reviewing and updating our Relationships and Sex Education (RSE) Policy for implementation from September 2026. We value the views of parents and carers and are therefore inviting you to take part in a formal consultation process before the policy is finalised. Relationships and Sex Education plays an important role in supporting students to:

- Develop healthy, respectful relationships.
- Understand personal safety, wellbeing and boundaries.
- Build confidence and resilience.
- Prepare for life in modern society.

The updated policy outlines:

- The aims and content of the RSE curriculum.
- How teaching will be delivered in an age-appropriate way.
- How students' needs will be supported.
- The role of parents and carers.
- Arrangements regarding the right to request withdrawal from certain aspects of sex education, in line with statutory guidance.

A copy of the draft 2026 RSE Policy is available as attached and is also visible via the academy website under 'local policies'. A printed copy is available from our reception upon request.

We welcome your feedback and invite you to share your views by 26th June 2026 using the following methods: emailing comments to kate.warnes@attrust.org.uk or eleanor.atkins@attrust.org.uk

All feedback received will be carefully considered by the school leadership team and governing body before the policy is formally adopted. Thank you for your continued support and partnership in your child's education.

Yours faithfully

Mrs K. Warnes
Director of PSHEE & CEIAG
