Dear Parents/Carers

Private Instrumental Lessons at TNHA

At The Nicholas Hamond Academy, we have been offering additional private instrumental lessons once a week during the school day for many years now. We currently have tutors in the area available to teach a range of instruments including guitar (electric, acoustic and bass), keyboard/piano, vocals, percussion, strings, woodwind, brass and choir/glee club.

The cost of the lessons will vary depending on how much time you would like your child to have each week with their tutor and whether they would be willing to have their lessons with another student at the same time to share fees.

From September 2026, the cost of individual lessons are as follows: £22 - per 30 minutes, £14.70 - per 20 minutes. Choir/Glee club - £5 per person per week. Students can also opt to share lessons to bring costs down. Students will be required to practice at home, instrument hire is available at no extra cost. For lessons to begin, we would require fees to be paid via your MCAS in advance of each half term.

If your child wishes to continue learning an instrument that they already play, or begin something new, and you would like them to take advantage of the opportunity from September 2026, please fill out this form via the QR code in this letter. We may be able to help with fees, with a discount of up to 50% if you are entitled to free school meals, so please enquire about this on the form mentioned.

Once we have an idea of interest, we will then send you an email in due course with more information on how to proceed. Please ensure you provide a valid email address when asked at the end of this form. Please note if your child is currently having instrumental lessons at TNHA, this form still needs to be completed if you wish for them to continue their lessons in September 2026.

Yours faithfully

S. Hatfield
