Dear Parent/Carer

Jon Egging Trust Programme

I hope you are well and have enjoyed the summer. It is time for the Jon Egging Trust Programme to begin again for this academic year. At the bottom of this letter is the proposed list of visits with dates for this academic year. These are not completely set in stone but will most likely happen as stated. As you will see, there are some exciting trips for both BS2 (second year of the programme) and BS3 (final year of the programme). Just as an aside, there are less trips for BS3 than previous years as they are in Year 10, and so Jon Egging are mindful of the fact that they are taking GCSEs and so do not wish them to be out of school as much.

As last year, we are proposing that one consent form is completed and it covers every trip this year and I will send you an email prior to each trip with the exact details. If you are unhappy with this arrangement, please let me know and we can set up alternative arrangements. If you are happy with this arrangement, please complete the form attached. Please do indicate if your child is FSM if you would like the packed lunch or not.

I would be grateful if you could return the consent form by **Thursday 15th October**. I am on the gate each morning and students can hand them to me as they enter the academy in the morning. You should have had an email from me to sign up to the Jon Egging side of the consent needed to be given. Please let me know if you have not received this. As always, should you have any questions please email me at Kate.Warnes@attrust.org.uk.

Kind regards.
