Dear Parents and Carers

**Re: Year 11 Revision Evening – Practical Support for Your Child
Thursday 8th October – 5pm**

We would like to invite you and your child to our Year 11 Revision Evening on **Thursday 8 October at 5:00pm**, starting in the Main Hall. Doors will open at 4:30pm. We know that preparing for GCSEs can feel daunting for students and families. This evening is an opportunity to explore manageable ways to revise and to find out how you can support your child at home.

The evening will run as a carousel of short, practical sessions. You and your child will move between English, Mathematics and Science, where the Heads of the core subjects will show you ways students can revise for their subjects. There will also be a general revision session to help students plan their time and choose strategies that work for them. You will be able to try some of the activities together.

Staff from other subjects will be available to answer questions about exams, key content and useful resources. A mental health advisor from Cup-O-Tea will be available too.

Dates for your diary

- **Monday 16 November:** Year 11 mock exams begin
- **Thursday 21 January:** Second Year 11 Parents' Evening

We hope you can join us. Whether your child has already started revising or is unsure where to begin, the evening will give you practical ideas to take away and use together.

To book your place, please complete the form using the QR code or the link below by Sunday 4th October.

If you have any questions, please contact us. We look forward to welcoming you.
Kind regards

Ms Ogden
Assistant Principal

Ms Cullum
Head of Year
